

THE RISE OF A NEW CROSSOVER

**THE ORIGIN STORY OF THE
BIODIVERSITY RESISTANCE**

BY JAMES R. OLDHAM

[SELF-PROCLAIMED DREAMWORKS MASTER]

PROLOGUE:

WHAT YOU ARE ABOUT TO HEAR IS A TRUE STORY THAT CHANGED A TREMENDOUS PART OF MY LIFE AND MADE ME FOCUS ON RESEARCHING AND SUPPORTING IT ENTIRELY EVERY DAY WITHOUT ANY FOCUS IN ANY OTHER THING IN MY LIFE. This was the ONLY THING I CHOSE TO DO MORE THAN ANYTHING ELSE. JOINING THESE CHARACTERS TOGETHER AS THE BIGGEST CROSSOVER ARMY FAMILY TO PROTECT LIFE AND LIVES IN THEIR WORLDS AND REALITY. US. OF COURSE, IT DIDN'T START AS THE BIODIVERSITY RESISTANCE AT START, IN FACT, I DIDN'T EVEN HAVE THE IDEA OF FORMING A CROSSOVER FAMILY ARMY AT ALL. I WAS WANTING TO DRAW COMICS. IT ALL STARTED WITH A COMIC BOOK SERIES I WAS WANTING TO GROW SINCE 8 YEARS AGO FEATURING MY #1 ALL-TIME FAVOURITE COMPUTER ANIMATED MOVIE CHARACTER WITH TWO OTHERS OF HIS KIND AND ANOTHER CREATURE FROM ANOTHER UNIVERSE. This is a STORY I'M TRULY HAPPY TO SHARE WITH OTHER PEOPLE WILLING TO KNOW HOW I FORMED MY GREAT LIFE CHANGE: THE BIODIVERSITY RESISTANCE. AND THIS IS HOW IT HAPPENED.

CHAPTER 1: The NIGHT FURY TEAM

IT ALL STARTED WITH A FUN SCHOOL TASK I WAS DOING IN ENGLISH CLASS IN MY FIRST SCHOOL YEAR IN CCS; CARRIGALINE COMMUNITY SCHOOL 🏡. IT WAS ABOUT A SUPERHERO DRAGON TEAM FEATURING THE FAMOUS DRAGON OF DREAMWORKS ANIMATION'S HTTYD FRANCHISE; TOOTHLESS THE NIGHT FURY. TOOTHLESS LEADS TWO OTHERS OF HIS KIND; NIGHT FURIES AND A PURPLE DRAGON; SPYRO FROM SKYLANDERS TO DEFENCE AGAINST THEIR ARCH ENEMY: THE OCEAN 👤 QUEEN 🧜 AND HER ARMY OF EEL CLONES. HER STORY WAS THAT A LITTLE GIRL WAS COLLECTING WATER NEAR HER HOME UNTIL A GIANT WAVE WASHED OUT TO SEA. SHE WAS UNCONSCIOUS AND A RED OCTOPUS BIT HER ON THE LEG. WHEN SHE WOKE UP, SHE HER LEGS WERE REPLACED WITH BLUE OCTOPUS ARMS. SHE WAS EVEN WEARING A BLUE TOP WITH AN O LETTER SYMBOL. SHE EVEN FOUND A GOLDEN CROWN 👑 AND PUT IT ON. SHE THEN DISCOVERED THAT SHE COULD CONTROL THE OCEAN. SHE LOVED HOW STRONG HER NEW POWER WAS. THE LITTLE GIRL SHE WAS BEFORE WAS GONE. SHE BECAME THE NOTORIOUS OCEAN QUEEN. SHE LED HER ARMY OF EEL CLONES AND NOW SHE'S JUST PURE POWERFULLY EVIL 🦇 🧜. After THAT, I THEN DECIDED THIS SUMMER TO DRAW A COMIC BOOK ABOUT THAT DRAGON TEAM. I COMPLETED MY first ISSUE FOR THE NIGHT FURY TEAM ON THE first DAY OF AUGUST OF 2017. THAT WAS THE DATE I HAVE CHOSEN TO ALWAYS REMEMBER AND DEDICATE MY WORK I WAS ALWAYS WANTING TO REMEMBER.

After MAKING A WINTER SPECIAL ISSUE, I REALISED THAT I HAVE CREATED A NEW EMPIRE OF KINGDOMS. AN ANCESTRAL HOME OF ALL FURY DRAGON, INCLUDING NIGHT FURIES. WHICH WAS A WISH HICCUP AND TOOTHLESS WERE HOPING FOR A LONG TIME BEFORE MEETING THE LIGHT FURY. SOMETHING THAT EVEN I WAS WISHING FOR MYSELF WHEN I

WAS A BOY. AFTER ALL, BEING THE FASTEST, MOST POWERFUL AND RAREST OF ALL DRAGON KIND, THEY'RE MY FAVOURITE DRAGON SPECIES. ANYWAY, THIS NEW ANCESTRAL DRAGON EMPIRE OF ALL FURY DRAGONS, LIKE TOOTHLESS' KIND; THE NIGHT FURY, WHICH I CALL FURYOPOLIS, WAS CREATED FOR ALL FURIES BY THEIR DEITY CREATORS; THE NIGHT FURY ROBOTS. I BASED THE DESIGN FOR THEM ON AN IMAGE I FOUND ON PINTEREST. IN THE BEGINNING, IN THE TIME OF THOSE MAJESTIC ROBOTS, THE ONES WHO CREATED FURYOPOLIS, WHEN THE KINGDOMS OF THE WHOLE EMPIRE WERE ONE, IT WAS A TIME OF UNFORGETTABLE PEACE, UNION AND TECHNOLOGICAL DIVERSITY OF THE PLANET. COMBINING THEIR POWER, THE NIGHT FURY ROBOTS EVEN CREATED AN OBJECT OF GREAT FURY POWER TO PRESERVE THE STABILITY OF THEIR EMPIRE. THE NIGHT FURY CUBE. ALL FURIES OF THE EMPIRE EVEN PRAISE NOT JUST THE NIGHT FURY ROBOTS, BUT ALSO THE ONE WHO CREATED THE ROBOTS. THE MOST POWERFUL FURY OF ALL; THE GALACTIC FURY. BUT WHAT THE ROBOTS DIDN'T KNOW WAS THAT SOMEHOW, A FURY ROBOT WAS CREATED, BUT NOT LIKE THE OTHER ROBOTS. THIS ONE WAS A FURY ROBOT OF NEGATIVE POWER CALLED THE FIRE FURY ROBOT. SEEING THAT HE WAS LEFT OUT IN FURYOPOLIS' CREATION, FEELING THAT THE NIGHT FURY ROBOTS WERE LEAVING HIM OUT OF THE EMPIRE'S BEGINNING, HE GOT SO ANGRY OF BEING LEFT OUT AND WANTED VENGEANCE. SO, HE STOLE THE NIGHT FURY CUBE AND USED ITS POWER TO CHANNEL A LIGHTNING STORM. THE THUNDER BOLTS CRACKED APART THE EMPIRE AND FURYOPOLIS SEPARATED. THAT MOMENT IN FURYOPOLIS' HISTORY WAS KNOWN AS THE FURYOPOLIS SEPARATION. ANGERED BY WHAT THIS MONSTER HAD DONE, THE NIGHT FURY ROBOTS HAD TO STOP HIM BEFORE HE COULD DO ANYMORE DESTRUCTIVE DAMAGE WITH THE CUBE. THEIR BATTLE WAS THE MIGHTIEST IN ALL FURY DRAGON HISTORY. UNTIL FINALLY, THE NIGHT FURY ROBOTS STOLE BACK THE CUBE AND BLASTED THE FIRE FURY ROBOT FAR AWAY FROM THE EMPIRE. THINKING THAT THERE WAS NO OTHER WAY TO BRING THE KINGDOMS OF FURYOPOLIS BACK

TOGETHER AND THAT SOMEDAY, SOMEHOW, THE FIRE FURY ROBOT WOULD RETURN TO DESTROY THE WHOLE EMPIRE, THE NIGHT FURY ROBOTS NEEDED TO PROTECT THEIR TORN APART EMPIRE AND THE CUBE FROM HIM. SO, THEY ENTRUSTED PROTECTION OF THE CUBE TO THE NIGHT FURIES OF MULL ISLAND; THE FIRST FURYOPOLIS KINGDOM. THEN, THEY GIVE THEIR LIVES TO SUMMON ALL THE POWER TO CREATE 3 NIGHT FURY EGGS. THE NIGHT FURIES THAT HATCH FROM THOSE EGGS WOULD ONE DAY DESTROY THE FIRE FURY ROBOT FROM TAKING HIS REVENGE. AND THOSE NIGHT FURIES WAS THE NIGHT FURY TEAM I HAVE FORMED IN MY COMIC SERIES. TOOTHLESS, TWO OTHER NIGHT FURIES NAMED AFTER HIM I CALL TOOTHLESS 2.0 (TWO LEGGED) TOOTHLESS 3.0 (SAME QUADRUPED) AND SPYRO THE PURPLE SKYLANDER DRAGON THAT TOOTHLESS, 2.0 AND 3.0 ADOPT AS THEIR BROTHER. THIS TEAM OF 4 BROTHERS WOULD ONE DAY DESTROY THE FIRE FURY ROBOT AND PROTECT FURYOPOLIS FROM HIM WHO WAS PREPARING CONSTANTLY TO ATTACK AGAIN. AFTER BEING BLOWN FROM THE EMPIRE, HE CRASHED ONTO A DESERTED ISLAND. HE BECAME SO ANGRY OF BEING LEFT OUT, ATTACKED AND BRUTALLY WOUNDED, THAT HE WANTED TO DESTROY HIS BROTHERS AND THE WHOLE OF FURYOPOLIS. BUT HE KNOWING COULDN'T DO IT ALONE AGAIN, HE NEEDED AN ARMY. SO, HE CHANNELLED A LIGHTNING STORM TO BURN ALL LIFE ON THE ISLAND WITH FIRES UNTIL IT WAS NOTHING BUT ASH, DUST AND FLAMES. HE FORMED THE ISLAND INTO HIS OWN PART OF THE EMPIRE. AN ENEMY KINGDOM NATION CALLED FIRE LAND. THEN, HE POPULATED IT WITH FIRE FURIES. A FURY SPECIES SIMILAR TO THE MONSTROUS NIGHTMARE, BUT WITH LIMITLESS FIRE POWER. THEIR LEADER IS LORD FIREUS, WHO WAS ENTIRELY BEHOLDEN TO HIS MASTER.

CHAPTER 2: BIRTH OF THE BIODIVERSITY RESISTANCE

AFTER A FEW SHORT YEARS AFTER MAKING A SHORT COMIC SERIES OF THE NIGHT FURY TEAM WITHOUT ANY COMPLETION AND REFERENCING THEM MEETING CHARACTERS FROM OTHER WORLDS, LIKE THE PJ MASKS, AND GAINING MORE ALLY MEMBERS, I HAVE DECIDED THAT THE NIGHT FURY TEAM SHOULD EVOLVE FROM A SMALL TEAM INTO A LARGE RESTORATION ARMY FAMILY OF DIFFERENT CREATURES ASIDE FROM DRAGONS TO MAKE IT MORE INTERESTING FOR MILLIONS OF FANS TO SEE THIS NOW PLANNED TO EXPAND CROSSOVER. AND SO, WITH THE HELP OF MY OLD FRIEND AND BROTHER, JOSEPH McCaffery, THE BIODIVERSITY RESISTANCE WAS BORN.

IN CASE YOU'RE DESPERATE OF ASKING OF IT IS THAT THEY DO, THE BIODIVERSITY RESISTANCE IS A GLOBAL CROSSOVER ARMY FAMILY OF DIFFERENT MOVIE CHARACTERS FROM DIFFERENT WORLDS DEDICATED TO PROTECTING AND PRESERVING THE NATURALISTIC LIFE AND LIVES OF THEIR WORLDS AND THOSE ALLIED WITH THEM. The CHARACTERS COME FROM DIFFERENT WORLDS IN MAINLY UNIVERSAL STUDIOS, DREAMWORKS ANIMATION, SOME IN THE DISNEY COMPANY, 1 IN LEGENDARY PICTURES, 1 EACH FROM DC AND MARVEL COMICS AND A FEW IN WARNER BROS.

ASIDE FROM JOINING DIFFERENT CHARACTERS TOGETHER TO FORM THE BR AND JOINING PARTNERSHIP ALLIANCES WITH DIFFERENT CHARACTERS WORTHY OF HELPING THE RESISTANCE PROTECT THE LIFE AND LIVES IN THEIR WORLDS AND THE REAL WORLD, THE RESISTANCE HAVE JOINED THEIR WORLDS (SOME KINGDOMS) TOGETHER AS AN ALLIED UNIVERSE CALLED THE BIODIVERSE EMPIRE. A CROSSOVER MULTIVERSE OF DIFFERENT WORLDS IN DIFFERENT TIME PERIODS FORMED TO WORK TOGETHER TO RESPECT AND PROTECT EACH OTHER AND THE STABILITY OF LIFE IN THEIR WORLDS AND THE LIFE IN THE REAL WORLD.

CHAPTER 3: The KINGDOMS OF THE BIODIVERSE EMPIRE

NOW, I SHALL TELL YOU OF THE DIFFERENT WORLDS THE MANY CHARACTER MEMBERS OF THE RESISTANCE COME FROM AND HAVE JOINED TOGETHER TO PROTECT AND PRESERVE. THE WORLDS WITH NATURE LIFE, INNOCENT LIVES, FRIENDS AND FAMILIES AND THAT DESERVE THE RESISTANCE'S PROTECT FROM ANY THREAT IN LIFE. WORSE THAN ENEMIES THE CHARACTER MEMBERS OF THE RESISTANCE HAVE FOUGHT BEFORE. SO, HERE IS A STORY DESCRIPTION OF WHAT HAPPENED IN EACH OF THESE WORLDS BEFORE I JOINED THEM IN MY CROSSOVER MULTIVERSE AND WHY I CHOSE THEY WERE WORTHY OF JOINING THIS EMPIRE. I SHALL EVEN TELL YOU IN YEAR ORDER IN MY LIFE OF WHEN THEY CAME OUT.

1. ELEMENTAL WORLD OF THE AVATAR:

IN A WORLD OF PEACE BETWEEN THE FOUR CLANS WHO CAN BEND THEIR NATURAL ELEMENT. WATER TRIBES, EARTH KINGDOM, AIR NOMADS AND THE FIRE NATION. ONLY THE AVATAR, THE EMBODIMENT OF LIGHT AND PEACE, COULD MASTER ALL FOUR ELEMENTS AND USE THAT POWER TO KEEP BALANCE AND PEACE AMONG THE FOUR NATIONS OF THE WORLD, AS WELL AS BETWEEN MANKIND AND SPIRITS. THE AVATAR IS ALSO THE ONLY ONE TO CONVERSE WITH THE SPIRITS OF THE SPIRIT WORLD. WITH THEIR WISDOM, THE AVATAR IS THE STRONGEST AND MOST POWERFUL BENDER IN THE WORLD. BUT WHEN THE FIRE NATION LAUNCHED THE

HUNDRED YEAR WAR BY FIRE LORD SOZIN, AND USED THE POWER OF A GREAT COMET; WHICH WAS LATER DUBBED AS SOZIN'S COMET, TO WIPE OUT THE AIR NOMADS, WE WERE ABLE TO WREAK WORLDWIDE DESTRUCTION AND WIDESPREAD LOSS OF LIFE UPON THE OTHER NATIONS. WHEN THE WORLD NEEDED THEIR PROTECTOR MOST, THE NEW AVATAR, THE LAST LIVING AIRBENDER NAMED AANG, RAN AWAY AND VANISHED DUE TO THE FEAR OF HUGE RESPONSIBILITY AND NEVER HAVING A FAMILY. NEEDING TO FIGHT ALONE FOR THE WORLD. BUT, IN MY VISION, AANG DIDN'T WANT TO BEAR THE BURDEN ALONE. A CENTURY LATER, AFTER BREAKING AANG FREE FROM A HUGE SPHERE OF FROZEN ICE, WATERBENDING SIBLINGS SOKKA AND KATARA JOIN AANG ON HIS JOURNEY ACROSS THE WORLD, ABOARD AANG'S FLYING BISON APPA, TO MASTER THE FOUR ELEMENT ARTS AND BRING CHANGES IN THE WAR TO RESTORE PEACE AND ORDER. EVEN MAKE NEW ALLIES IN THEIR TEAM AVATAR, INCLUDING ZUKO; THE EXILED PRINCE OF THE FIRE NATION. IN THE END, AANG WAS ABLE TO DEFEAT ZUKO'S FATHER, FIRE LORD OZAI (AKA IN THE SERIES FINALE) THE PHOENIX KING, BY TAKING HIS BENDING. BY TAKING THE THRONE FROM HIS CRUEL AND VAIN SISTER, PRINCESS AZULA, ZUKO WAS ABLE TO CLAIM THE THRONE, BECOME NEW FIRE LORD AND DECLARE THE WAR FINALLY OVER. THAT THE WORLD IS FINALLY FREE OF BEING SCARRED AND DIVIDED. AND WITH AVATAR AANG'S HELP, THE PEOPLE WERE FINALLY FREE TO RESTORE THE WORLD BACK INTO A TIME OF LOVE, UNION AND PEACE AGAIN. SO, AFTER A LONG JOURNEY OF RELATIONSHIP BONDS AND EDUCATION ON ASIAN CULTURES AND ELEMENTAL MARTIAL ARTS, THIS REALM IS WORTHY OF BEING PROTECTED AFTER ALL THE DEATH AND SUFFERING IT HAS BEEN THROUGH. AFTER SEEING THE GLORIOUS ENDING AT ZUKO'S CROWNING SPEECH, WITH THE HELP OF TEAM AVATAR, THE BIODIVERSITY RESISTANCE WILL ENSURE THE UNITY AND SAFETY OF THE BENDER PEOPLE AND THEIR WORLD'S VAST CREATURE LIFE.

2. ALAGAËSIA

BASED ON THE NOVELS BY CHRISTOPHER PAOLINI BUT I'M FOCUSED ON THE 2006 20TH CENTURY FOX ADAPTATION IN A KINGDOM WHERE AN EVIL KING NAMED GALBATORIX RULES WITH ABUSIVE TYRANNY EVEN THE SOLDIERS ARE IN EVERY VILLAGE ENSURING NO REBELLIONS TO REMIND THOSE WHO RESIST HIS RULE THAT AS LONG AS HE IS KING DISLOYALTY WILL BE PUNISHABLE BY DEATH💀💧 BUT BEFORE GALBATORIX ALAGAËSIA FLOURISHED WITHOUT CRUELTY AND FEAR PROTECTED BY MEN WHO ASTRIDE MIGHTY DRAGONS🐉 GALBATORIX WAS A RIDER BUT TURNED AGAINST THEM AFTER HIS OWN DRAGON WAS KILLED BY URGALS AND HE WAS DENIED A REPLACEMENT BY THE COUNCIL HE THEN FORMED A GROUP OF CORRUPTED DRAGON RIDERS AND USED THEM TO OVERTHROW KING ANGRENOST AND CLAIM THE THRONE BUT WHILE GALBATORIX TERRITORY IN THE KINGDOM WAS RULED WITH CORRUPTED FEAR THERE IS A RESISTANCE WHO FIGHT FOR THE KINGDOM'S FREEDOM A CLAN OF PEOPLE WHO ARE BRAVE OR MAD ENOUGH TO OPPOSE GALBATORIX KNOWN AS THE VARDEN LED WITH HOPE ALONGSIDE THE LAST DRAGON RIDER AND HIS DRAGON ERAGON AND SAPHIRA THEIR STORY BEGUN WITH ARYA AN ELF ALLY OF THE VARDEN FROM THE ELF KINGDOM OF ELLESMÉRA TRIED TO ESCAPE CARRYING A BLUE STONE STOLEN FROM THE KING HIMSELF BUT DURZA A DARK MAGIC SORCERER RIGHT HAND MAN TO THE KING CAUGHT HER BUT FAILED TO RETRIEVE THE STONE WHEN ARYA MAGICALLY TELEPORTED IT TO THE SPINE WHERE ERAGON A YOUNG FARM BOY WAS OUT HUNTING THAT NIGHT HE FOUND THE STONE AND SAW A LITTLE BLUE BABY DRAGON BURST FROM IT WHICH HE SAW THAT IT WAS ACTUALLY THE LAST DRAGON EGG THE DRAGON QUICKLY GREW WHEN IT FIRST FLEW ERAGON COULD THEN HEAR SPEAKING IN

HER THOUGHTS AND SHE COULD HEAR HIS HER NAME IS SAPHIRA AND ERAGON IS HER RIDER WHEN GALBATORIX SENT DURZA AND HE SENT THE RAZAC TO KILL HIM KNOWING THAT ERAGON IS NOW THE DRAGON'S BONDED RIDER AND THAT WILL ANSWER TO THE VARDEN'S HOPEFUL PRAYER FOR A MIRACLE TO HELP RID ALAGAËSIA OF THE KING WITH AN OLD DRAGON STORYTELLER AND FORMER RIDER NAMED BROM BY THEIR SIDE ERAGON AND SAPHIRA JOURNEY TO THE VARDEN BEING FOLLOWED BY THE KING'S URGALS AND RAZACS AND RESCUE ARYA FROM DURZA WITH BROM SACRIFICING FOR ERAGON AFTER ARRIVING AT THE MOUNTAIN STRONGHOLD OF THE VARDEN ALONG WITH MEETING MURTAGH DURZA LEADS THE KING'S ARMY TO ATTACK THE VARDEN TO FINALLY DESTROY THE RESISTANCE AND ALL HOPE OF FREEDOM BUT WITH THE SAPHIRA'S HELP ERAGON WAS ABLE TO KILL DURZA AND HELP THE VARDEN DEFEAT THE ARMY OF GALBATORIX AND SO IN REASON OF WHY I CHOSE ALAGAËSIA TO BECOME OF THE KINGDOMS IN MY CROSSOVER EMPIRE I SEE THAT ERAGON AND SAPHIRA ARE A SIMILAR PAIR TO HICCUP AND TOOTHLESS BECAUSE OF THE WAY THEY BOND WORK TOGETHER SHARE HOW EACH OTHER THINKS OR FEELS ESPECIALLY FOR EACH OTHER ALSO AND FINALLY THIS KINGDOM DESERVES A CHANCE RID THE TYRANT KING WHOSE ARMY STRIPS MANY PEOPLE FROM THEIR VILLAGES FROM THEIR HOMES TO THEIR DEATHS CAUSING MORE SUFFERING BUT WITH ERAGON AND SAPHIRA JOINING MY CROSSOVER ARMY FAMILY WE SHALL FINALLY KILL GALBATORIX AND GIVE ALAGAËSIA THE ETERNAL RIGHT OF FREEDOM THAT THEY HUGELY DESERVE

3. PANDORA:

FARAWAY, LIGHT YEARS AWAY FROM A DYING EARTH, ON A PLANET OF PANDORA, THE HUMANS OF THE RDA; RESOURCES DEVELOPMENT ADMINISTRATION WERE CRUELLY DEDICATED TO MAKING PANDORA THE NEW HOME FOR HUMANITY. BUT IT IS ALREADY POPULATED BY A RACE OF BLUE EXTRATERRESTRIAL HUMANOIDS CALLED THE NA'VI. FORMER MARINE, JAKE SULLY WAS RECRUITED TO REPLACE HIS EXPERIENCED BROTHER TOM SULLY AS AN AVATAR DRIVER. MEANING SHARING A NEURAL LINK WITH HUMAN MADE BODIES OF THE NA'VI NATIVES CALLED AVATARS. WITH IT, HE WAS SENT TO LEARN FROM THE NA'VI SO THE RDA COULD FIND THE TREE OF SOULS. THE DIRECT LINE TO THE NA'VI ANCESTORS AND THEIR DEITY, EYWA. TO DESTROY THEM, LIKE THE HUMANS KILLED THEIR GOD. KNOWING THIS, JAKE COULDN'T FOLLOW THOSE ORDERS. HE LED THE NA'VI CLANS OF PANDORA, EVEN WITH HIS BONDED NA'VI MATE, NEYTIRI, AS THE FAMOUS TORUK MAKTO, A NA'VI INDIVIDUAL BEING CAPABLE OF RIDING THE GREAT LEONOPTERYX AND WITH HUGE RISKS, WAS ABLE TO STOP THE RDA, EVEN THEIR RUTHLESS LEADER; COLONEL MILES QUARITCH FROM DESTROYING THE TREE..... AND KILLING THEM. EVEN JAKE. THE HUMANS OF THE RDA WERE THEN BANISHED BACK TO THEIR DYING WORLD. ONLY A FEW, INCLUDING JAKE'S TWO MOST LOYAL SCIENTIST FRIENDS; DR. NORM SPELLMAN AND DR MAX PATEL, LOYAL TO THE NA'VI, WERE CHOSEN TO STAY. FOR OVER A DECADE, ALL WAS PEACEFUL. EVEN THAT JAKE SULLY AND NEYTIRI BECAME PARENTS TO NETEYAM, LO'AK AND TUK. EVEN ADAPTING KIRI; A DAUGHTER BORN OF DR GRACE AUGUSTINE'S AVATAR. THE KIDS HAVE EVEN BONDED WITH A HUMAN BOY NAMED SPIDER, WHO CAN SPEAK THE NA'VI LANGUAGE. EVEN THOUGH HE'S LOYAL TO THE NA'VI, ESPECIALLY THE SULLY FAMILY, NEYTIRI ALWAYS SEES SPIDER AS HUMAN. ONE OF THEM. "HE BELONGS WITH HIS OWN KIND." BUT I SAY SHE'S WRONG. EVEN JAKE IS FOND OF SPIDER'S LOYALTY TO THEM. BUT THEN, MILES QUARITCH AND THE RDA RETURNED, EVEN HIM AND A FEW OTHER SOLDIERS IN PERMANENT AVATAR BODIES CALLED A RECOMS (RECOMBINANTS) AVATAR NATIVE BODIES IMPRINTED WITH A HUMAN'S RECORDED MEMORIES AND PERSONALITY TRAITS, WHICH WAS A SECRET PLAN THE RDA HAD

KNOWING THAT QUARITCH AND A LOT OF PEOPLE WERE TO BE KILLED BY THE NA'VI. AS QUARITCH WERE HUNTING DOWN JAKE AND HIS FAMILY, JAKE KNEW THEY WOULD HAVE TO DISAPPEAR. LEAVE THEIR CLAN. LEAVE THE FOREST NA'VI CLAN; THE OMATIKAYA CLAN AND MOVE TO PANDORA'S EASTERN SEABOARD. THEY FLEW A LONG DISTANCE TO THE OCEAN. MOVED TO THE REEF/OCEAN NA'VI CLAN; TO AWA'ATLU; THE MAIN VILLAGE OF THE METKAYINA CLAN, LED BY TONOWARI AND RONAL AND THEIR SON AO'NUNG AND DAUGHTER TSIREYA. THE SULLY FAMILY LEARNT THE WAYS OF THE OCEAN THE METKAYINA HAVE TAUGHT THEM. BUT WHEN THE RDA HUNTED DOWN THE METKAYINA'S SPIRITUAL BROTHERS AND SISTERS; THE TULKUN, ESPECIALLY AN OUTCAST TULKAN NAMED PAYAKAN THAT LO'AK HAD BONDED DEEPLY WITH, JAKE AND NEYTIRI ALONG WITH TONOWARI AND RONAL LED THE METKAYINA TO FIGHT THE RDA, INCLUDING JAKE SAVING HIS CHILDREN AND SPIDER AND FIGHTING QUARITCH, WHOM SWORE THAT HE'S COMING FOR HIM AND HE'LL KILL HIS WHOLE FAMILY. THANKFULLY SUCCEEDING WITH THEIR LIVES, ALTHOUGH NETEYAM GOT SHOT BY ONE OF THE RECOMS; CORPORAL LYLE WAINFLEET, THE SULLYS AND SPIDER MOURNED NETEYAM'S DEATH AND THE FAMILY, WITH TONOWARI'S APPROVAL, WERE WELCOMED TO STAY. THE SULLYS ADAPTED TO THEIR NEW HOME IN AWA'ATLU, METKAYINA AND JAKE SWORE A VOW THAT HE COULDN'T SAVE HIS FAMILY BY RUNNING AWAY. THAT HE AND HIS FAMILY WOULD CONTINUE THEIR STRUGGLE AGAINST QUARITCH AND THE RDA. JUST AS THEY DO SO, THEY'LL ALSO FACE ANOTHER AGGRESSIVE THREAT, THE MANGKWAN CLAN, AKA THE ASH PEOPLE. NA'VI WHO LOST THEIR HOMETREE TO A VOLCANIC ERUPTION , THUS THEIR CONNECTION TO EYWA. BUT THERE WILL ALSO BE ANOTHER CLAN CALLED THE TLALIM CLAN, AKA WINDTRADERS WHO TRAVEL IN GIANT AIRSHIPS CALLED MEDUSA. SO, AFTER SEEING JAKE WANTING TO PROTECT THE NA'VI AND THE LIFE ON THEIR PLANET AND PREVENT HUMANITY FROM KILLING ALL LIFE ON IT LIKE THEY DID TO THEIR OWN PLANET, IN BOTH CLANS OF OMATIKAYA AND METKAYINA, I HAVE SEEN CLEAR PROVE THAT THIS PLANET; PANDORA IS CERTAINLY A WORLD WORTHY OF HAVING MY CROSSOVER RESISTANCE' PROTECTION AGAINST MILES QUARITCH AND THE RDA.

4. Owl Kingdoms:

In a world populated by owls, the noblest of all birds, there was an army of tyrant owls called the Pure Ones, with an aim to take control of all the Owl Kingdoms. Murder and abduct innocent lives. When capturing young owls, they demand them to join them as their soldiers. Those others were moon blinked. Stripped of their will. As if they're made them forget who they were. After that, they were demanded to pick owl pellets for flecks. Small blue glowing metal pieces that affect owl gizzards. The Pure Ones were led by their notorious King of Queen, Metal Beak and Nyra who led them in their destructive goal of tyranny. All endangered lives in the Owl Kingdoms would have been destroyed and forever lost to the Pure Ones if it weren't for the actions of a different clan of owls who rose as an army resistance of freedom fighters against those evil owls from the mists of the Sea of Hoolemere and from the Great Tree of Ga'Hoole itself. Kept hidden to all in the world, but those who believe in them. Who believe they are real. Those with the strong of purpose and the true of heart. A band of noble warriors, selfless and courageous, who have forever sworn an oath to make strong the weak, mend the broken and vanquish the evil. The Guardians of Ga'Hoole. They are led by their snow owl King  and Queen ; Boren and Barren along with the Guardians' leader; Lyze of Kiel to protect the owls in the kingdoms. One young owl named Soren was enthralled by his father Noctus' stories about the Guardians, he dreamt to become one of them, while his brother Kludd grew annoyed by the fantasy. After both brothers he got owl-napped by the Pure Ones and taken to St. Agelious' Academy for Orphaned Owls, Kludd was made a soldier, one of the Pure Ones, while Soren and his new friend Gylfe were able to resist the moon blinking and pellet picking. Catching them not moon

blinked, an old owl who was forced to serve the Pure Ones named Grumble taught Soren and Gylfe to fly so they could escape and go to the Sea of Hoolemere, find the Great Tree and tell the Guardians of Ga'Hoole, whom Grumble told Soren are real, about this evil army's goal for the Owl Kingdoms. Even though caught by Nyra, Soren and Gylfe manage to fly away and escape St Aeglious. Following their journey to the Sea of Hoolemere, they reunited with Soren's nursemaid snake, Mrs P and make two new friends; Twilight and Digger. They all formed a band as they journeyed to the Sea and made their way to the Great Tree of Ga'Hoole where Soren told them about the Pure Ones' desire to rule their world without pity. After a great battle at the Beaks, the Pure Ones' stronghold, especially from the treachery of Kludd's betrayal to his brother, Soren was able to kill Metal Beak just as Nyra led the Pure Ones to escape. In the end, back at the Tree, Soren reunited with his parents and little sister Eglantine. In thanks for their bravery and honour in battle, the band were declared Young Guardians. So, even though my main focus in this world is the Great Tree of Ga'Hoole and the Guardians, I strongly believe that these amazing kingdoms of the most noblest of all species of birds are worthy protecting, especially because of what Digger said about owls 🦉 being essential to our environment and what we can do to protect them. And so, with the Guardians of Ga'Hoole, along with Soren's Band, the Biodiversity Resistance will always protect all kingdoms in their empire, even the Kingdoms these noble bird Guardians are fighting for. Especially follow their ancient oath. Making strong the weak, mending the broken and without any abandonment of their honour ☯ 🦉, vanquishing the evil.

5. JURASSIC WORLD:

A NEW AND MORE ADVANCED AMUSEMENT PARK ON THE SAME ISLAND AS JURASSIC PARK IN 1993; ISLA NUBLAR. FROM 2012-15, THE PARK WAS AN ASTOUNDING PARK ATTRACTION FOR ALL AGES FILLED WITH DE-EXIST DINOSAURS. TWO PROTAGONIST PEOPLE IN THIS STORY ARE THE PARK'S OPERATIONS MANAGER CLAIRE DEARING AND FORMER NAVY AND ANIMAL BEHAVIOURIST OWEN GRADY, WHO'S BEEN WITH A SPECIAL VELOCIRAPTOR NAMED BLUE. AFTER A DISASTROUS BREAKOUT OF THE PARK'S HYBRID ATTRACTION; THE INDOMINUS REX, THE PARK WAS EVACUATED AND CLOSED. AFTER A GREAT BATTLE BETWEEN THE INDOMINUS REX AND "REXY"; THE TYRANNOSAURUS REX FROM THE ORIGINAL PARK, ALONG WITH BLUE, THEN WITH THE INDOMINUS GETTING DRAGGED INTO THE OCEAN AND EATEN BY THE MOSASAURUS, THE DINOSAURS ROAMED FREE ON THE ISOLATED ISLAND. DURING THAT INDOMINUS DISASTER AND WHAT HAPPENED IN 2018 3 YEARS LATER, 6 TEENAGE KIDS GOT ABANDONED ON ISLA NUBLAR AS THEY EXPLORED, BONDED DEEPLY, FACED MANY TROUBLING DANGERS AND PROBLEMS AND AFTER A LONG STRUGGLE AGAINST MANY DANGEROUS DINOSAURS, EVEN FINDING OUT ABOUT A FEW PEOPLE WANTING TO USE DINOSAURS FOR GREED, THESE KIDS NOW CALLED THE NUBLAR 6 FOUGHT TO PROTECT THE DINOSAURS AND THANKFULLY GET RESCUED. 3 YEARS LATER, IN 2018, A CREW OF MEN CAPTURED A LOT OF DINOSAURS, EVEN BLUE, THANKS TO OWEN AND CLAIRE; NOT TO TAKE THEM TO A PEACEFUL ROAM FREE SANCTUARY, BUT TO GREEDILY SELL  THEM. THE AUCTION EVEN SHOWED A REVEAL OF A DIRECT DESCENDENT OF JURASSIC WORLD SCIENTIST; DR HENRY WU'S MASTERPIECE, THE ANIMAL THAT TOOK DOWN JURASSIC WORLD. THE INDOMINUS REX. A CREATURE MADE FROM HER DNA RETRIEVED FROM A SKELETON SAMPLE BEFORE THE ISLAND'S VOLCANIC ERUPTION DESTRUCTION. ANOTHER HYBRID DINO CALLED THE INDORAPTOR. THE AUCTION BUYER PEOPLE EVACUATED WHEN A HAVOC DISASTER HAPPENED THANKS TO OWEN AND WHEN THE INDORAPTOR WAS HUNTING DOWN TO OWEN, CLAIRE AND A LITTLE GIRL THEY'RE PROTECTING NAMED MAISIE LOCKWOOD, BLUE CAME TO FIGHT THE INDORAPTOR. SHE EVEN PUSHED IT THROUGH A GLASS CEILING AND THE INDORAPTOR GOT STABBED ONTO THE HORNS OF A HORNED DINOSAUR'S SKULL. IN THE END, DR IAN MALCOLM DECLARED IN TO THE US SENATE THE BEGINNING OF A NEW ERA. THAT HUMANITY AND DINOSAURS WOULD HAVE TO BE FORCED TO COEXIST. 4 YEARS LATER, THE DE-EXTINCT DINOSAURS STRUGGLED TO ADAPT TO

LIVE AMONGST HUMANS. OWEN AND CLAIRE LIVED IN OWEN'S MOUNTAIN CABIN TO PROTECT MAISIE. EVEN, BLUE HAS AN ASEXUAL REPRODUCED DAUGHTER THAT MAISIE DUBS AS BETA. MAISIE IS THE CLONED DAUGHTER OF CHARLOTTE LOCKWOOD, DECEASED DAUGHTER OF JURASSIC PARK CO-FOUNDER; SIR BENJAMIN LOCKWOOD. CHARLOTTE DIED OF A GENETIC DISEASE, BUT ALTERED MAISIE'S DNA TO MAKE HER IMMUNE. BIOSYN ABDUCTED MAISIE SO DR HENRY WU WOULD STUDY HER, STRONGLY BELIEVING THAT HER DNA IS KEY TO CREATING A PATHOGEN TO HALT THE CONSTANT LOCUST EPIDEMIC OUTBREAK, WHICH BIOSYN WAS RESPONSIBLE FOR AND CEO LEWIS DODGSON WAS COVERING UP. ASIDE FROM MAISIE, BIOSYN ALSO CAPTURED BETA AS WELL TO HELP THEM UNDERSTAND MAISIE. LIKE CHARLOTTE, BLUE REPRODUCED BETA ON HER OWN. WITHOUT A MATE. THAT SCIENTIFICALLY IS CALLED ASEXUAL REPRODUCTION. BUT WITH THE HELP OF VISITOR SCIENTISTS TO BIOSYN WHO VISITED JURASSIC PARK 3 DECADES AGO, DR. ALAN GRANT AND ELLIE SATTLER, ALONG WITH IAN MALCOLM, MAISIE AND BETA ESCAPED AND REUNITED WITH OWEN AND CLAIRE. THE WHOLE GROUP (CROSSOVER CHARACTERS OF BOTH JURASSIC WORLD AND JURASSIC PARK) WITH THE HELP OF BIOSYN WHISTLEBLOWER RAMSAY COLE ESCAPED BIOSYN, ESPECIALLY IN THE MIDDLE OF A DINO BATTLE BETWEEN THE ORIGINAL JURASSIC PARK TYRANNOSAURUS REX "REXY" AGAINST THE APEX PREDATOR; GIGANOTOSAURUS. WITHOUT THE HELP OF A THERIZINOSAURUS, THE TWO DINOS KILLED THE GIGANOTOSAURUS. IN THE END, DR WU SUCCESSFULLY ERADICATED THE LOCUST EPIDEMIC THANKS TO STUDYING MAISIE. THE UNITED NATIONS DECLARED BIOSYN VALLEY A GLOBAL SANCTUARY WHERE THE DINOSAURS WILL LIVE THERE FREE. SAFE FROM THE OUTSIDE WORLD. OWEN, CLAIRE AND MAISIE REUNITED BETA WITH BLUE, HER MOTHER. FINALLY, AROUND THE WORLD, DINOSAURS LEARN TO CO-EXIST WITH THE MODERN WORLD. SO, I HAVE CHOSEN JURASSIC WORLD TO JOIN MY CROSSOVER EMPIRE BECAUSE LIKE DRAGONS AND TITAN MONSTERS, HUMANS COULD DESERVE A CHANCE TO LIVE ALONGSIDE DINOSAURS BRING BROUGHT BACK FROM EXTINCTION. ANOTHER REASON WHY IS THAT LEWIS DODGSON WAS RIGHT WHEN HE SAID THAT DINOSAURS CAN TEACH US MORE ABOUT OURSELVES. HONESTLY, I PREFER THE WORLD PART OF THIS FRANCHISE MORE THAN THE PARK PART BECAUSE IT GIVES MORE SENSE TO HAVE A CHANCE TO COEXIST WITH DINOSAURS LIKE OTHER CREATURES.

6. ZOOTROPOLIS:

IN THE ANTHROPOMORPHIC ANIMAL HUMANOID CITY OF ZOOTROPOLIS OR ZOOTOPIA (US NAME) WHERE PREY AND PREDATOR MAMMALS EXIST, A DETERMINED BUNNY NAMED JUDY HOPPS WAS OBSESSED WITH BECOMING A POLICE OFFICER IN THE ZPD (ZOOTROPOLIS/ZOOTOPIA POLICE DEPARTMENT). SO, SHE LEFT HER FAMILY IN BUNNYBURROW AND MOVED TO THE CITY. BUT INSTEAD OF JOINING IN ON THE 14 MISSING MAMMAL CASES, POLICE CHIEF BOGO PUT HER ON NOTHING BUT PARKING DUTY. BUT AFTER ABANDONING IT ON HER SECOND DAY TO CATCHING A WEASEL THIEF AND EVEN THOUGH SHE WAS SCOLDED BY CHIEF BOGO, BUT THEN BEING INTERRUPTED BY MRS OTTERTON BEGGING FOR THE ZPD TO FIND HER MISSING HUSBAND; EMMET OTTERTON. KNOWING HOW DESPERATE SHE WAS AND THAT EMMET WAS ONE OF THE 14 MISSING MAMMALS ON THE CASES, CHIEF BOGO TRIED TO TELL HER THAT THEY RE ALL VERY BUSY, BUT JUDY SAID SHE WOULD FIND HIM. BEFORE BOGO COULD FIRE JUDY FOR INSUBORDINATION, ASSISTANT MAYOR DAWN BELLWEATHER CONFIRMED JUDY ON THE OTTERTON CASE. BOGO GIVES JUDY 2 DAYS OR SHE MUST RESIGN. JUDY GOT A LEAD ABOUT SCAM ARTIST FOX ; NICK WILDE KNOWING SOMETHING THAT CAN HELP. THE TWO OF THEM WENT TO A FEW PLACES IN THE CITY FOR CLUES WHICH FINALLY LED THEM TO A STORE HOUSE GUARDED BY WOLVES WHERE ALL 14 MISSING MAMMALS ARE CONTAINED, WHO WERE ALSO AFFLICTED BY TOXIC FLOWERS WHICH MAKE THEM GO SAVAGE CALLED NIGHT HOWLERS. MAYOR LEODORE LIONHEART WAS IN CHARGE WITH THE CONTAINMENT OF THEM TO PROTECT THE CITY. AFTER FINALLY FINDING ALL THE MISSING MAMMALS, BOGO FINALLY GROWS SOFT ON JUDY. BUT IN THE END, JUDY AND NICK DISCOVERED THAT THE REAL MASTERMIND WAS

ASSISTANT MAYOR BELLWEATHER, WHO FRAMED LONHEART. BELLWEATHER WAS ARRESTED AND DOCTORS WERE ABLE TO REHABILITATE THE NIGHT HOWLERS AFFLICTED PREDATORS, EVEN EMMET OTTERTON, WHOSE WIFE WAS GRATEFUL TO JUDY FOR. FINALLY, JUDY WELCOMED NICK AS AN OFFICER TO THE ZPD TO THE DUO WORKS TOGETHER AS   PARTNERS. SO, I CHOSE THIS DISNEY ANIMAL UTOPIA METROPOLIS TO JOIN MY CROSSOVER EMPIRE BECAUSE I HAVE SEEN HOW DANGERS HAPPEN IN THIS ANIMAL HUMANOID CITY, ESPECIALLY CRIME AND MISSING CITIZENS, WHICH IS WHAT POLICE OFFICERS ARE THERE FOR. AND I HAVE A THEORY THAT WITH THE RESISTANCE, JUDY AND NICK CAN DO THINGS WITH MY ARMY FAMILY THAT POLICE CAN'T TO PROTECT AND SAVE LIVES.

7. TROLL-HUNTERS, ARCADIA-OAKS AND AKIRIDION-5

UNDER THE TOWN OF ARCADIA-OAKS, THERE IS A HEARTSTONE WHERE A RACE OF TROLLS LIVES IN THEIR OWN METROPOLIS CALLED HEARTSTONE TROLL-MARKET. THE WORLDS OF HUMANS AND TROLLS LIVED SEPARATELY IN PEACE FOR CENTURIES. BUT THERE WERE ALSO A TRIBE OF AGGRESSIVE, BARBARIC WARRIOR TROLLS CALLED GUMM GUMMS, LED BY THE NOTORIOUS GUNMAR THE BLACK, WHO WANTED TO DEVOUR ALL HUMANITY. THE REST OF TROLL-KIND FOUGHT AGAINST HIM, BUT ONLY ONE WAS THE STRONGEST TO STOP THIS MADNESS FROM THE GUNMAR AND HIS GUMM GUMM ARMY. THE TROLL-HUNTER. A POWERFUL WARRIOR/CHAMPION CHOSEN BY THE AMULET OF DAYLIGHT TO BE THE PROTECTOR OF THE WORLDS OF TROLLS AND HUMANS FROM EVIL CREATURES AND TROLLS SIMILAR TO THE GUMM GUMMS. BUT

WHEN THE PREVIOUS TROLL-HUNTER, KANJIGAR THE COURAGEOUS DIED WHEN BATTLING GUNMAR'S SON; BULAR THE BUTCHER, MERLIN'S AMULET CHOSE YOUNG JAMES "JIM" LAKE JR, AS THE FIRST HUMAN TROLL-HUNTER, WHICH WAS WHEN HE AND HIS BEST FRIEND; TOBIAS "TOBY" DOMZALSKI, THEN MET BLINKOUS "BLINKY" AND AARGHAUMONT, BETTER KNOWN AS AAAARRRGHH. FOR A LONG TIME, ALONG WITH JIM'S LOVE INTEREST TURNED GIRLFRIEND; CLAIRE NUÑEZ, THIS TROLL-HUNTER TEAM PROTECTED ARCADIA OAKS FROM MANY ENEMIES, EVEN GUNMAR AND THE GUMM GUMMS. ESPECIALLY WHEN GUNMAR MADE HIS WAY FROM HIS EXILE IN THE DARKLANDS INTO THE SURFACE WORLD TO BRING FORTH THE ETERNAL NIGHT; AN EVIL RITUAL THAT CREATED A DARK HAZE AND FOREVER BLOCKS OUT THE SUN SO THAT TROLLS WOULD NEVER HAVE TO WORRY ABOUT BEING TURNED TO STONE IN THE DAYLIGHT AND FREELY ROAM THE SURFACE. NOT ONLY ARE THERE TROLL-HUNTERS, BUT TROLL-DRAGONS, WIZARDS; INCLUDING A FORMER WIZARD IN TRAINING, NOW MASTER NAMED DOUXIE WHO WORKED UNDER THE APPRENTICESHIP OF MERLIN AND FAR AWAY FROM EARTH, THERE IS AN EXTRATERRESTRIAL RACE CALLED AKIRIDIONS WHERE KING IN WAITING AND WARRIOR QUEEN OF AKIRIDION-5; AJA AND KREL, HAVE LIVED IN DISGUISE ON EARTH ALONGSIDE THEIR GUARDIAN/MENTOR VARVATOS VEX. FINALLY, THE 3 PARTS OF THIS STORY CAME TOGETHER LIKE A CROSSOVER AT LAST WHEN A TRIO OF ANTAGONISTIC DEMIGODS CALLED THE ARCANE ORDER WHO SOUGHT TO REAWAKEN THE TITANS. THREE ELEMENTAL ABOMINATIONS IMBUED FROM THE ARCANE'S ENERGIES. WHEN COMBING IN

ARCADIA, THE CENTRE OF THE UNIVERSE, EARTH WOULD THEN BE REBIRTH. A NEW START. LIFE BEGINNING AGAIN. BUT WITH HARD CHOICES, A LOT OF TRUST AND TEAMWORK, JIM AND HIS TROLL-HUNTERS (CLAIRE, TOBY, BLINKY AND AAAARRAGGHH!!!) AJA, KREL, VARVATOS VEX AND DOUXIE FORMED THE GUARDIANS OF ARCADIA. THE NINE CONFIGURATION, WITH JIM; THE TROLL-HUNTER, BEING THE NINTH. TOGETHER, THEY BATTLED THE TITANS AND THE ARCANE ORDER AND SAVED NOT JUST ARCADIA, OR THE WORLD, BUT THE UNIVERSE. SO, I HAVE DECIDED FOR THE GUARDIANS OF ARCADIA AND TROLL-KIND TO JOIN THE RESISTANCE AND FOR HEARTSTONE TROLL-MARKET TO JOIN THE BIODIVERSE EMPIRE ALONG WITH ARCADIA BECAUSE I HAVE SEEN HOW SIMILAR JIM AND CLAIRE'S RELATIONSHIP IS SIMILAR TO HICCUP AND ASTRID'S FROM HTTYD. MINOR FACT: I HAVE SEEN TOOTHLESS ON JIM'S COMPUTER SCREEN JUST BEFORE HE MORPHED INTO HIS TROLL-HUNTER ARMOUR FROM THE AMULET. ALSO, BECAUSE I HAVE SEEN HOW IMPORTANT THIS STORY IS FOR AN IMPORTANT LESSON ABOUT DESTINY BEING A GIFT FOR HAVING ALL YOUNG PEOPLE, EVEN KIDS, TO BECOMING WHAT THEY'RE MEANT TO BE INSIDE. IN THEIR HEARTS. LIKE THEY SAID ASIDE FROM "DESTINY IS A GIFT", "DON'T THINK, BECOME!"

8. FURYOPOLIS:

I BELIEVE I HAVE ALREADY TOLD ABOUT FURYOPOLIS' ORIGIN AND DEVIL ENEMY, BUT I DIDN'T EXPLAIN ABOUT WHAT THIS EMPIRE IS AFTER ITS SEPARATION. THOUGH THE FURYOPOLIS KINGDOMS WERE ONE AND AFTER THE FIRE FURY ROBOT USED THE NIGHT FURY CUBE TO CHANNEL A STORM THAT BROKE THE KINGDOMS APART, THE FURY DRAGONS OF THE EMPIRE ADJUSTED THEIR NATURAL ABILITIES IN THEIR TORN APART HABITATS. ALL STILL COEXIST WITH ONE ANOTHER EXCEPT FOR FEARING THEIR INVASIVE ENEMY; FIREUS AND THE FIRE FURIES. FOR DEFENCE OF THE KINGDOMS, THE LEADERS CAME TOGETHER AND FORMED A GOVERNMENTAL LEADER MEETING TO JOIN IDEAS TOGETHER. A MEETING GROUP CALLED THE FURYOPOLIS COUNCIL. THE FURIES COME IN ALL TYPES OF SUCH AS NIGHT FURIES, LIGHT FURIES, FOREST FURIES, ELECTRO FURIES, CRYSTAL FURIES, STAR FURIES, ICE FURIES, ALBINO HAWK FURIES AND CORAL FURIES. ACCORDING TO FURY LEGENDS, THERE IS EVEN A FRIEND KINGDOM TO THE WHOLE FURY DRAGON EMPIRE. PANTHERA; KINGDOM OF THE PANTHER FURIES. AS YOU KNOW, THE FURY DRAGONS OF FURYOPOLIS WORSHIP THEIR DEITIES, THEIR CREATORS; THE NIGHT FURY ROBOTS, EVEN THEIR GODDESS; THE GALACTIC FURY. RARER THAN THE NIGHT FURY. THE MOST POWERFUL FURYOPOLIS LEGEND IN THE EMPIRE'S HISTORY. DEEPER LEGENDS INDICATE THAT THANKS TO TOOTHLESS AND A SPECIAL FEMALE TO HIS LIFE, A NEW SPECIES OF FURY WAS CREATED. A HYBRID OF THE TWO SPECIES. THE RIDICULOUSLY ADORABLE OFFSPRING OF THE TWO KINDS. NIGHT LIGHTS. THE 3 KIDS EXPANDED THE POPULATION OF THEIR SPECIES FOR 13 CENTURIES. AND SO, NOW, IN PRESENT, AFTER AN EXTRAORDINARY EVENT, THE FIRE FURIES WERE FREED FROM THEIR LIES OF NEEDING TO STEAL THE NIGHT FURY CUBE AND ORDER TO DESTROY. EVEN THEIR LEADER; FIREUS, SON OF BENEVOLENT PAIR; FIRETRON AND FIRETRONESS, HAS JOINED THE BIODIVERSITY RESISTANCE AND FIGHTS FOR HIS PARENTS' HONOUR. NOT ONLY HAS HE EVEN JOINED THE FURYOPOLIS COUNCIL, BUT HE'S EVEN TOOTHLESS' BONDED BROTHER. SO, FURYOPOLIS, BEING MY OWN CREATED KINGDOM EMPIRE FOR MY CROSSOVER EMPIRE, IS A PERFECT FIT FOR THE EMPIRE AS IT'S WORTH PROTECTING AND WORTH WORKING TO JOIN BACK TOGETHER AGAIN FOR TRUE COEXISTENCE WITH EACH OTHER. ESPECIALLY FURIES BEING THE RAREST OF ALL DRAGON SPECIES.

9. The Jungle Bunch's Jungle:

Far in a deep jungle, there is a team of animals who fight to help the lives of the jungle animals called the Jungle Bunch. Led by a penguin  painted with tiger stripes who's been raised by a tiger  named Natasha who used to lead a justice team as well called the Champs, who have retired after a disastrous sacrifice. The Jungle Bunch got together when a clan of penguins needed help when they were forced to give their fish to stubborn walruses. They fought many enemies, saved lives, protected the innocent and solved all kinds of problems together. Years later, a banished enemy; a ruthless koala named Igor returned with his exploding mushrooms  to destroy the jungle. Luckily, the Champs came out of retirement one more time and worked together with the Jungle Bunch to stop Igor's plan. After that, the Champs retired for good and left their job to the Jungle Bunch. (Maurice the tiger penguin, his adopted fish  son; Jr, a blue gorilla  named Miguel, an intelligent tarsier named Gilbert and his love interest, a beautiful lady bat named Patricia. The Bunch even helped prevent a toxic experiment from getting wet by a rainy season or a ruthless evil beaver named Henry could have used it to turn the jungle into a dry desert  Maurice even met a pretty prosthetic armed armadillo named Camella. So, I have chosen the Jungle Bunch to join the Resistance to protect their combined empire, even this jungle, because even though I would be told this is a bit of a childish choice, I could see that this justice team is worth teaming up with to protect lives from disastrous threats at any costs. **TOGETHER!!!!!!!!!!!!!!!!!!!!**
"The JUNGLE BUNCH. TO THE RESCUE!!!!!!!!!!!!!!!!!!!!"

10. OASIS

IN COLUMBUS OHIO IN 2045, PEOPLE SPENT ALL THEIR TIME IN A VIRTUAL UNIVERSE OF ALL POPULAR CULTURE TO ESCAPE THE BORING AND STRESSFUL THINGS IN LIFE A VR PLACE CREATED BY JAMES HALLIDAY AND OGDEN MORROW OF GREGARIOUS GAMES. BEFORE HALLIDAY DIED HE LEFT A HIDDEN OBJECT IN THE VASTNESS OF THE OASIS. AN EASTER EGG AND THE FIRST TO FIND IT WILL BECOME THE RIGHTFUL HEIR TO HIS \$500 BILLION FORTUNE AND TAKE FULL CONTROL OF THE OASIS. THE TARGETED PROTAGONIST OF THIS STORY TRYING TO GET THE EGG IS WADE WATTS, WHOSE PARENTS DIED AND ONLY LIVES WITH HIS AUNT ALICE, HIS MOM'S SISTER WHO'S NOT REALLY APPRECIATIVELY NICE TO HIM AT ALL LIKE FAMILY ARE SUPPOSED TO BE TO EACH OTHER. SO, WADE IS KNOWN AS PARZIVAL IN THE OASIS BEST FRIENDS WITH A HALF MAN AND MACHINE NAMED AECH, AKA HELEN HARRIS. ALONG WITH DAITO AKA TOSHIRO AND SHO AKA XO. 4 OF THE GUNTERS SHORT FOR EGG HUNTERS. BUT THEY WERE NOT THE ONLY ONES DESPERATE TO WIN HALLIDAY'S CONTEST. THERE WAS ALSO THE SECOND LARGEST COMPANY IN THE WORLD BESIDE GREGARIOUS GAMES. IOI (INNOVATIVE ONLINE INDUSTRIES) WITH A DESIRE TO HAVE BECOME THE FIRST. WHICH IS WHY THEY HAVE PUT EVERYTHING THEY HAD TO WIN HALLIDAY'S CONTEST. FOLLOWING THE ORDERS OF THE CEO HEAD OF IOI NOLAN SORRENTO. EVEN COMMANDING AN ARMY OF SIXERS AND IF THEY WON HALLIDAY'S EASTER EGG, IOI WOULD HAVE FULL CONTROL OF THE OASIS AND CHARGE ITS USERS MONEY TO BECOME MORE RICH. SO, THE FOUR MALE GUNTERS ALONG

WITH PARZIVAL MEETING AND HAVING A HUGE CRUSH ON ART3MIS, AKA SAMANTHA COOKE, CAME TOGETHER AS A TEAM CALLED THE HIGH FIVE. UNITING BY THEIR DESIRE TO WIN THE HALLIDAY EASTER EGG HUNT CONTEST AND SAVE THE OASIS FROM IOI. TOGETHER, THEY WON THE 3 HIDDEN KEYS HIDDEN IN 3 HARD CHALLENGES REQUIRED TO OPEN THE GATE WHERE HALLIDAY HID THE EGG. AND SO IN THE END, JUST AS SAMANTHA WAS HOPEFUL TO WADE HE WON THE CONTEST AND HALLIDAY'S EASTER EGG THE HIGH FIVE WAS NOW FAMOUS FOR THEIR ACTIONS BY MANY PEOPLE IN THE OASIS AND THE REAL WORLD. ESPECIALLY FOR WHEN THEY MET IN REALITY. WADE AND HIS FRIENDS TOOK OVER THE OASIS ONE OF THE FIRST THINGS THEY DID IN THE END WAS CLOSE THE OASIS ON TUESDAYS AND THURSDAYS. A WEIRD THING IT WAS BUT PEOPLE NEEDED TO SPEND MORE TIME IN THE REAL WORLD BECAUSE LIKE JAMES HALLIDAY SAID TO WADE/ PARZIVAL WHEN HE GAVE HIM THE EGG; REALITY IS THE ONLY THING THAT'S REAL." SO, I CHOSE THIS ENTHRALLINGLY AMAZING VR WORLD TO JOIN MY CROSSOVER EMPIRE SO THE RESISTANCE CAN HELP THE HIGH FIVE PROTECT ALL POPULAR CULTURE IN THE REAL WORLD AND IN THE OASIS. AFTER SEEING THE BOND WADE AND SAMANTHA/PARZIVAL AND ART3MIS HAVE IN FACT THE WHOLE HIGH FIVE HAVE ESPECIALLY THEIR ATTRACTIVELY KNOWLEDGEABLE DETERMINATION TO PROTECT THE OASIS FROM THREATS LIKE SORRENTO AND IOI I SAW THAT THE OASIS IS WORTH PRESERVING AND LEARNING FROM. "FIRST TO THE KEY. FIRST TO THE EGG."

11. Atlantis:

Unlike the rest of my crossover empire, there is kingdom of people and creatures that people above thought didn't exist. Even though one scientist man named Dr Stephen Shin strongly believed it was. Under the sea, the Kingdoms of Atlantis are an advanced empire of ocean protected political people and creatures. Currently ruled by Arthur Curry; Aquaman and his wife Queen Mera. But before being civilised under the sea, Atlantis, the most powerful empire the world had seen, united above the ocean thousands of years ago when the 6 kingdoms were one. It was a time of great prosperity and great technological innovation. A time for when the people had unlocked the secret of unlimited energy when the rest of the world still thought the earth was flat. Led by the first ruler of Atlantis, King Atlan, wielding the Sacred Trident. Legend states the trident was imbued with the power to command the sea. But the people became too ambitious, too hungry for power. A test of the Trident went wrong when a massive energy pulse violently radiated outward and torn the kingdoms apart, causing Atlantis to sink into the sea with great loss of life. But the very energy that separated the gloriously united empire affected the remaining survivors biologically. It caused them to gain the ability to breathe underwater. The heads of Atlantis met at the outskirts assembling as the Council of Kings. Over the centuries, Atlantis evolved, adapting to the oceanic environments and the once united empire separated furthermore. The seven kingdoms are Atlantis, Xebel; the kingdom siding with Atlantis, Fishermen, Brine, Deserters and Trench. But, in the beginning, there were seven united kingdoms of Atlantis. The 7th is known as Necrus; the Lost Kingdom, the Black City, which was a curse upon them all. A corrupted kingdom was a volatile polluting fuel called Orichalcum, which emits tremendous amounts of greenhouse gases that are strongly destructive to Earth. In fact, the people of Atlantis even started destroying the oceans themselves before they realised what they were doing. By exploiting that dangerously destructive fuel, Necrus rapidly became a super power unlike any other. But it became a destroyer to all life. Poisoning the land, the sea, even the mind of the tyrant ruler of Necrus, Atlan's younger brother, Kordax. Declaring his wish that all he ever wanted was for the Atlantean kingdoms to live in peace with one another, Atlan confronted and begged with his little brother to stop his cowardice monstrosity with the Orichalcum before the world could be violently poisoned and damaged. However, instead of listening and believing in his big brother's wish for peaceful unity, Kordax didn't trust Atlan. Being blinded because of him being too poisoned by the Orichalcum and he harshly rejected Atlan's pleas. Even screaming out that Atlan was a liar and Necrus would never bow to him and Atlantis, thinking

that his big brother was only wanting to steal his power. So, Kordax resorted to dark magic and used the Orichalcum to craft an evil weapon of his black magic; the Black Trident. With it, he transformed his people and himself into undead, possessed, fearsome monsters as a powerful army to fight Atlantis. So the two brothers went to war. But with the power of Poseidon; the god of the sea, in Atlan's sacred trident  , crafted from Poseidon steel, Atlan was able to defeat his brother and imprisoned him and all of Necrus with a spell which he cast with his own blood  to ensure that Kordax' dark power, even reign of using the Orichalcum to destroy the planet, would never exist again. From then on, Necrus was stripped from the Atlantean chronicles. Kordax' evil was supposed to have remained frozen and forgotten to eternity. But a pirate man whom I believed matched similar Kordax' evil soul named David Kane; aka Black Manta, who wanted revenge of Aquaman for the death of his pirate father in a submarine battle, found the Black Trident, which slowly possessed him like a puppet. Kordax gave him a vision to David to free him from his prison and he would grant David the strength he'd need to kill the man who stole his father. David led a heist campaign to steal the Orichalcum from many storage vaults across the globe for 5 months. Bringing to their facility in the dormant volcano called Devil's Deep to just burn it. Then releasing the tremendous greenhouse gases to heat the planet in order to thaw the frozen Kingdom of Necrus and Kordax's frozen prison. In doing so, the stolen and burnt Orichalcum caused major thunderstorms and wildfires across Earth, which even left a lot of homes without power. Atlantis needed to stop Black Manta or a climate meltdown would be catastrophic. Aquaman declared that it was time to introduce Atlantis to the surface world. Even though Atlantis never wanted that to happen, due to it being against their traditions and thinking the surface are just wanting to destroy them, Arthur declared that Atlantis could combine their technologies to reverse the climate change damages that have been caused. Still, Lady Karshon still demanded that Atlantis are meant to eradicate the surface and never coexist. When I heard her say that, like Aquaman, I was angry at her hatred to the King's plea for peace. I immediately believed she was dead wrong and always reflected to the words of King Ricou of the Fishermen. "It is the position of the Fishermen that if Atlantis were to make themselves known to the surface, it would be to educate them, not to destroy them. In meaning, humanity can be given oceanic education to restore the ocean. But Lady Karshon's eradication demand was a disgust to me and Arthur's thoughts. In order to find Black Manta, who has vanished from Atlantis' radar, Arthur needed his imprisoned brother, Orm's help. He was imprisoned after Aquaman successfully stopped him from uniting the kingdoms to attacking the surface and in doing so, Arthur dethroned him. Once Orm claimed command of the kingdoms, he was deemed as "**Ocean Master**".

Arthur broke Orm out of the Deserter prison and the two went to Devil's Deep to collapse the whole island to stop the Orichalcum from burning more. But even though the greenhouse gases made the ice, Kordax couldn't be freed because Atlan used the royal bloodline to immobilise Kordax in his prison. So, Black Manta stole Arthur and Mera's son; Arthur Jr and went to Antarctica to find Necrus and free Kordax. Seeing the destructive monstrosity David was doing, Dr Stephen Shin transmitted their coordinates to the Atlanteans so they could follow them to Antarctica and rescue Jr. After a great battle between King Nerus and his Xebellian army, Arthur, Mera, Orm and the Brine King against the possessed monster army of Necrus, Arthur and Mera rescued Jr thanks to Dr Shin, Arthur fought Black Manta and killed Kordax by driving Atlan's trident through the Black Trident and the magic was broken. After all that, Atlantis addressed to the United Nations for membership. Together, thanks to Aquaman's speech, Atlantis and the surface will write the next chapter in their story, rather than its ending. The educate humanity on the ocean world and restore the world with naturistic life again as it was supposed to be. And so, thanks to Aquaman's sequel, I realised how important Atlantis can be to my crossover empire, to land and sea restoration and preservation. Yet even though Atlanteans are proud but warlike and notoriously unforgiving, which is what I feel disgusted in hate by, like Aquaman said, my Resistance army family and I are not like the Atlanteans. Mercy isn't the Atlantean way, but they should learn that mercy is not weakness but a sign of true strength. To never forget nobility/compassion. So, after seeing the destructive damage Black Manta did with the Orichalcum he stole to heat the planet with caused a lot of weather disasters, the Resistance can help Atlantis with reversing the climate change damage to the planet to restore life again, like God and another nature legend had wanted; Sir David Fredrick Attenborough. **“We must rewild and preserve the world.”**

12. The Hidden Dragon World:

In this world, a world where a clan of Vikings rode mighty reptilian fire breathing dragons, all dragon kind lives safe in their ancestral home: The Hidden Dragon World. Legend states that beyond the edge of the world, there is a hole in the middle of the ocean surrounded with waterfalls. The Caldera. Deep inside it, through a tall mushroom forest lies where all dragon kind lives. Ruled and protected peacefully by their royal family; King Toothless the Night Fury, Queen Lightra the Light Fury and the Night Lights; Prince Eclipse, Prince Dusk, aka Sir Duskatron and Princess Dawn. But long before that, Toothless lived 6 years on the island of the BERK, with his human brother best friend Hiccup Haddock III, after ending a long war between humans and dragons which lasted for centuries. Humans and dragons were always fighting and the dragons were always burning the homes and stole their livestock and food. But what they didn't was that something was forcing them to steal food. A monster dragon creature called the RED DEATH. She started the war by forcing dragons to steal food for her and if they each didn't bring enough back for her, they were eaten themselves. So, the dragons were fighting for their survival of their lives, until Hiccup and Toothless worked together to destroy the Red Death and free dragon kind from her threatening reign. Of course, there were a lot of problems on the way, like Hiccup needing to make a prosthetic tail fin for Toothless after he shot him down, Hiccup's dad; Stoick the Vast; Chief of Berk, not listening to Hiccup about the Red Death, only thinking he betrayed their clan. But Hiccup didn't, he brought a change to the war, becoming the first Viking in over 3 centuries who would never kill a dragon and replacing centuries of dragon murdering traditions with bonding, trusting and riding a dragon. And the one Hiccup did that with is the most ultimate dragon in history. Toothless the Night Fury. The rarest, fastest, smartest and most powerful of all time. Hiccup didn't kill him after shooting him down because Toothless looked as frightened as Hiccup was. He looked inside his eyes and he saw himself. Toothless' soul reflected Hiccup's own. The two of them are the same age. Twin Souls. Brothers. So, the two of them swore a duty to protect the peace. Secure the union between humanity and dragon-kind. Replace Stoick's preparational need for war. First, they formed an unforgettable trusted bond to end an outrageous war that never should have started. Second, they explored many lands, discovered new dragon species, learned from them/studied them, even for some; trained them, gained their trust. Yet others, fought them as they were a threat to the peace. Also, aside from training and

learning about dragons, they protected innocent lives, not just on Berk but on other islands in the Barbaric Archipelago in the Norwegian Sea — and beyond. Other than there being dragon enemies, there were also human enemies; Alvin the Treacherous and Dagur the Deranged; who began allies of Hiccup and his Berkian Dragon Rider team. Also, there was Viggo and his brother Ryker Grimborn. Finally, there was the warlord of a military called the Northern Alliance. Founded and led by the self-proclaimed "Dragon God", a powerful man who claimed strongly that he alone could control the dragons. The ruthless and murderous DRAGO BLUDVIST. Luckily, Hiccup and Toothless managed to defeat him and his servant Bewilderbeast and claimed the throne of the dragons from it, making Toothless the new, better and true king and protector of dragon-kind. With that, Hiccup and Toothless and their team rescued caged dragons and brought them back to Berk, transforming their island village into the world's first Dragon-Viking utopia. Making their desired peaceful, unified dream become reality. After Drago's defeat, there was a dragon hunter who killed all of Toothless' species to extinction after killing one when he was a boy and made him the hero of his village. A man who was in the business of killing all dragon kind. Another man alongside Drago who filled me with a lot of strong vibe for the rise of more evolved and powerful enemies. An incredibly threatening man named Grimmel the Grisly. Because of his threats, Hiccup and Toothless needed to make really strong choices, like needing to bring the Dragons to the Hidden World, which Stoick was opposed with when Hiccup was a boy. In fact, Stoick wanted to find it and seal it up, so that humans and dragons would find no more. That, I believe from those words, was a very peaceful decision, like what Hiccup and Toothless did in their first chapter after ending the days of the Red Death. Also, humans weren't welcome in the Hidden World, so Hiccup couldn't bring the Berkians there. So, the time had come for the two twin soul brothers to take care of themselves. Say goodbye. Separate. So, they lived apart and ruled their kingdoms as Chief and King. Best of all, they became mates and fathers. Toothless to a beautiful opposite of his kind, Lighta the Light Fury and Hiccup to a beautifully powerful warrior woman named Astrid Hofferson. Hiccup and Astrid having a daughter and son named Zephyr and Nuffink while Toothless and Lighta having three hybrids kids of both their kinds. 3 Night Lights; Dusk, Dawn and Eclipse. 13 centuries into the future after Hiccup and Toothless' unforgettable story together, Dragons became just myths and legends in modern times, until a comet nearly collided with Earth, causing a massive, enormous and mysterious fissure to have been created. Scientists, even a few with their kids, come from all around the world and built a state-of-the-

art research facility; Project [I.C.A.R.I.S.](#) (International Crevasse and Research Investigation Station). One of those kids was Hiccup's descendant; a modern teenage boy named Tom Kullersen who found and bonded with the direct descendant of Toothless, Lightra and their kids, a Night Light dragon named Thunder. They led their own Dragon Rider team across the Nine Realms of the Hidden World; Crystal, Fire, Ice, King's, Nature, Giant, Desert, Dark and God's, to carry on their Viking ancestral legacy. Protecting the existence of the Hidden Dragon World from the rest of the world from the team leader of the multinational corporation that found Project I.C.A.R.I.S.; Wilma Sledkin, who fell to her death after her greed and thirst for power led to her horrifying end. Also, there was a power mischievous dragon threat from Norse Mythology. The World Serpent and the Midgard Serpent, the child of Loki; the God of mischief called JöRMUNGANDR. Its goal was bring forth Ragnarök; the end of the world until Thunder; becoming the Hidden World's new Alpha after his grandfather; the Night Light Elder, the previous Alpha and Thunder's family's leader. With the Alpha mode and title from the Elder, Thunder used it to lead the dragons and with Tom's help, he overpowered and defeated JöRMUNGANDR strongly and saved I.C.A.R.I.S. and the Hidden World. But because of Jörmungandr's actions, Thunder and the dragons realized that humans and dragons can't coexist which made Tom and his rider team realize still, there are still greedy people like Wilma Sledkin in the world who want the dragons for science and money. Along with being so close to Ragnarök which almost killed the Hidden World and all Earth. So, the modern riders and their dragons did what Hiccup and Toothless needed to do. Bid farewell and the dragons returned into the Hidden World and continued living on their lives and raising the next generation in peace. So, this kingdom, the Hidden World, alongside New Berk and all other allied islands in the Archipelago, is a perfect fit in the Biodiverse Empire worth protecting from people like from the Northern Alliance who wanted to cage, abuse and use dragons for war and death or worse kill them. Also, the royal family of the Hidden World are a leading family to the Biodiversity Resistance. Finally, a desire I have for Toothless is to reunite him with Hiccup so the time of the Dragon Riders can return again and dragons can return to New Berk and forever continue to roam the Earth in peace. So, it was true. Hiccup and Toothless, along with Tom and Thunder, their stories "changed the world forever."

13. MONSTERVERSE:

IN THIS EARTH, HUMANS HAD BEEN THE DOMINANT SPECIES FOR THOUSANDS OF YEARS AND THEY WASTED THE NATURE OF EARTH AWAY WITH OVERPOPULATION, POLLUTION AND WORSEWAR, CAUSING A MASS EXTINCTION AND HUMANITY IS THE CAUSE OF IT. WE ARE THE INFECTION. BUT LIKE ALL LIVING CREATURES, EARTH UNLEASHED A FEVER TO FIGHT THAT EXPANDING INFECTION. THE PLANET'S ORIGINAL AND RIGHTFUL RULERS CALLED THE TITANS. PART OF THE EARTH'S NATURAL DEFENSE SYSTEM, A WAY TO PROTECT THE PLANET AND MAINTAIN THE BALANCE OF NATURE. BUT IF HUMAN GOVERNMENTS WERE TO CONTAIN, DESTROY THEM OR WORSE; USE THEM FOR WAR, THE HUMAN INFECTION WOULD ONLY CONTINUE SPREADING AND WITHIN HUMANITY'S LIFETIME, OUR PLANET WOULD DIE.....AND SO WILL WE. UNLESS WE RESTORE EARTH'S BALANCE. JUST LIKE FOREST FIRES REFill THE SOIL AND VOLCANOS CREATE NEW LAND, THERE ARE SIGNS THAT THE TITANS WILL DO THE SAME. WHEREVER THE TITANS GO, LIFE FOLLOWS. THEY ARE THE ONLY CHANGE TO REVERSE THE DESTRUCTION HUMANITY HAS CAUSED AND ARE THE ONLY REASON WHY LIFE WILL BE ABLE TO CARRY ON. HUMANITY WOULD THEN RETURN TO A FORGOTTEN NATURAL ORDER WHERE HUMANITY COEXISTED IN BALANCE WITH THE TITANS. THE FIRST GODS. THESE CREATURES ARE COMMANDED BY THEIR ALPHA; TITANUS GOJIRA; GODZILLA AND HIS SYMBIOTIC MATE; TITANUS MOSURA; MOTHRA. THE KING AND QUEEN OF THE MONSTERS. GODZILLA FOUGHT MALEVOLENT TITAN THREATS WHO ATTACKED HUMAN POPULATED CITIES. STARTING WITH IN 2014 WHEN A PAIR OF MUTOS [MASSIVE UNIDENTIFIED TERRESTRIAL ORGANISMS], ATTACKED SAN FRANCISCO TO SPAWN AND REPRODUCE EGGS. LUCKILY, GODZILLA WAS ABLE TO FIGHT THEM FROM GREEDILY ENSURING THEIR SPECIES' SURVIVAL. ESPECIALLY, LIKE ALL OTHER TITANS, SINCE THEIR SPECIES FEED ON RADIATION FROM THE PLANET'S CORE. AFTER THEIR BATTLE, THE AFTER EFFECTS OF GODZILLA AND THE MUTOS' RAMPAGES (WHICH HAVE CAUSED FLORAL ECOSYSTEMS TO FLOURISH IN THE RUINS OF LAS VEGAS AND SAN FRANCISCO) HAVE THEN REVEALED THAT THE TITANS HAVE A REGENERATING EFFECT ON THE EARTH'S ECOSPHERE AND THAT THE CREATURES ACT AS ANTIBODIES FOR THE PLANET. 5 YEARS LATER, GODZILLA, ALONGSIDE MOTHRA AT HIS SIDE, FOUGHT HIS ALPHA RIVAL; THE THREE HEADED ALIEN DRAGON; KING GHIDORAH — THE ONE WHO IS MANY. BATTLING FOR DOMINANCE OVER THE OTHER TITANS. DURING THEIR BATTLE IN BOSTON, MOTHRA HAD GAVE HER LIFE FOR GODZILLA AS GHIDORAH

DESTROYS HER AND HER ASHES AND LIGHT PARTICLES FELL ONTO HIM. WITH THAT, SHE TRANSFERRED HER POWER TO GODZILLA WHICH EMPOWERED HIM INTO A THERMONUCLEAR BURNING STATE. WITH THAT POWER, BURNING GODZILLA WAS STRONG ENOUGH TO BURN GHIDORAH WITH THERMONUCLEAR PULSES, WHICH SHOWED MOTHRA'S WINGS AND SCREECH CALL. WITH THAT, THE TITAN ARRIVED IN BOSTON ON TIME TO WITNESS THAT BATTLE AND SEE GODZILLA TAKE BACK THE THRONE FROM THAT TYRANT, FALSE KING. AN INVASIVE SPECIES. THE CREATURES BOWED DOWN TO GODZILLA AS THEIR ALPHA PROTECTOR. WITH GODZILLA AS KING OF THE MONSTERS, THE TITANS BECAME BENEVOLENT UNDER HIS REIGN AND HAVE HELPED TO REBUILD MANY OF THE WORLD'S ECOSYSTEMS. HOWEVER, 5 YEARS LATER, IN 2024. BECAUSE OF GHIDORAH'S STORMS, LIFE ON SKULL ISLAND BECAME HIGH UNSTABLE AND THE TITAN APE; KONG WAS NO LONGER ABLE TO KEEP HIS HOME SAFE AND UNDER CONTROL. ALTHOUGH MONARCH'S HEAD OF KONG RESEARCH; DR ILLENE ANDREWS, WAS INSISTING FOR KONG TO STAY ON THE ISLAND BECAUSE OF GODZILLA COMING FOR HIM IF HE LEFT THE ISLAND, MONARCH NEEDED TO MOVE KONG OFF-SITE. FACT: NOT ONLY GHIDORAH WAS GODZILLA'S ALPHA RIVAL, BUT KONG WAS GODZILLA'S ANCIENT ANCESTRAL RIVAL. MEANWHILE, GODZILLA WAS PROVOKED BY A HUMAN CONSPIRACY COMPANY CALLED APEX CYBERNETICS WHO HAD CREATED A ROBOTIC MECHANIZED TITAN TO COMPETE AND REPLACE GODZILLA AND THE TITANS WHICH WOULD HAVE MADE HUMANITY THE APEX SPECIES OF EARTH. THE PLAN WAS LED BY APEX CEO WALTER SIMMONDS AND THE COMPANY'S CHIEF TECHNOLOGY OFFICER; REN SERIZAWA; SON OF MONARCH SCIENTIST AND GODZILLA'S HUMAN SUPPORTER; DR ISHIRO SERIZAWA; A MAN WHO GAVE HIS LIFE TO RESTORE GODZILLA'S STRENGTH TO FIGHT GHIDORAH. SO, APEX CREATED THIS TITAN MECHA CALLED MECHAGODZILLA, WHICH GODZILLA FOUND OUT THAT THE MECHA CONTAINED THE REMAINING HEAD FROM GHIDORAH GODZILLA TORE OFF THE DRAGON DURING AN OCEAN BATTLE IN MEXICO. APEX MADE THE SKULL FROM THE HEAD AS A LIVING SUPERCOMPUTER. APEX ALSO NEEDED A LOT OF POWER FOR THE MECHA. SO, ASIDE FROM MOVING KONG TO THE HOLLOW EARTH; THE BIRTHPLACE OF ALL TITANS, MONARCH, LED BY NATHAN LIND, ILLENE ANDREWS AND JIA; HER ADOPTED IWI DAUGHTER FROM SKULL ISLAND, FOLLOWED KONG THROUGH THE HOLLOW EARTH TO A TEMPLE FORTRESS OF KONG'S GREAT APE ANCESTORS. THERE, THEY FOUND THE MASSIVE DEPOSIT OF HOLLOW EARTH ENERGY, EXACT TO GODZILLA'S POWER FROM HIS ANCESTORS, ALONG WITH A PREHISTORIC BLUE MURAL OF GODZILLA ACROSS THE FLOOR AROUND THE THRONE. APEX EXTRACTED A SAMPLE WHICH EMPOWERED THEIR MECHA, BUT IT

WAS THE VERY GOAL KING GHIDORAH WANTED ALL ALONG. TO OBSERVE THE HOLLOW EARTH ENERGY AND BECOME THE MOST POWERFUL BEING IN THE UNIVERSE. THE ENERGY INFUX CAUSED THE REMNANTS OF GHIDORAH'S CONSCIOUSNESS IN THE SKULL TO OVERRIDE THE CONTROLS. NOT ONLY GHIDORAH ACHIEVED HIS GOAL BUT THANKS TO APEX, HE GOT THE POWER IN A BRAND-NEW WEAPONIZED BODY. LUCKILY, IN HONG KONG, CHINA, EVEN THOUGH MECHAGODZILLA WAS OVERPOWERING STRONGLY AT START IN THE FIGHT, GODZILLA AND KONG WORKED TOGETHER TO TEAR APART THE MECHA AND SAVE THEIR TITAN KINGDOM FROM THE MECHA KILLING THEM. TECHNICALLY, IT WAS KONG WHO TORE THE MECHA APART WITH SPECIAL GODZILLA SPIKE AXE HE FOUND FROM HIS ANCESTORS TEMPLE IN THE HOLLOW EARTH. OF COURSE, GODZILLA GIVE THE AXE AN ATOMIC FIRE BLAST TO HELP PENETRATE THE MECHA'S METAL BODY AND TEAR IT APART AND FINISH GHIDORAH FOREVER. AFTER THAT BATTLE, INSTEAD OF FIGHTING MORE, THE TWO TITAN ALPHAS ACKNOWLEDGED AFTER UNDERSTANDING THEIR TRUE ENEMY AND THE REASON WHY GODZILLA WAS PROVOKED HAS BEEN DESTROYED. WITH THAT UNBELIEVABLE MOMENT, GODZILLA AND KONG FINALLY ENDED THEIR ANCESTRAL WAR BETWEEN THEIR KINDS. NOW THAT THEY ARE NO LONGER RIVALS, GODZILLA AND KONG AGREED A TRUCE FOR THE FIRST TIME EVER, REGARDING EACH OTHER FINALLY AS EQUALS AND ALLIES BEFORE GODZILLA RETURNED TO THE SEA PEACEFULLY LIKE HE DID IN SAN FRANCISCO. KONG EVEN RETURNED TO THE HOLLOW EARTH AND DECLARED HIMSELF AS THE KING PROTECTOR OF THE HOLLOW EARTH AND ACCEPTED IT AS HIS NEW HOME AND KINGDOM. FINALLY, 3 YEARS LATER, IN 2027, GODZILLA SENSED THE PREPARATION OF A POWERFUL THREAT THAT HE FOUGHT LONG AGO WHICH HE WAS ENSURING THAT SOMEDAY WOULD RISE UP AGAIN. A POWERFUL AND RUTHLESS RED APE WHO THREATENED THE PEACE OF THE IWI OF THE HOLLOW EARTH LIVING IN HARMONY WITH THE SURFACE. IN THE TIME WHEN THE TITANS WERE THE GUARDIANS OF NATURE AND THE GREAT APES BECAME THE PROTECTORS OF HUMANITY. THIS RED TITAN APE WAS POWERFULLY DESPERATE WITH CONQUERING THE SURFACE WORLD. HE LED HIS APE TRIBE TO WAR AGAINST GODZILLA, THE ONE THEY CALLED "THE MONSTER WHO ATE A STAR." BUT AFTER A GREAT BATTLE. GODZILLA WAS ABLE TO IMPRISON THE APE TRIBE IN A FIERY REALM IN THE HOLLOW EARTH. THEIR FALSE KING REMAINED OBSESSED WITH REACHING THE SURFACE. THE IWI CALLED THIS RED APE THE SKAR KING. TRAPPED IN THAT REALM, HE HARNESSSED A TERRIBLE POWER; THE ANCIENT ICE TITAN CALLED SHIMO. WITH A GLOWING SPIKE FROM SHIMO ATTACHED ON HIS WHIPSLASH WEAPON, THE SKAR KING CONTROLLED HER WITH ABUSIVE PAIN. MEANWHILE, GODZILLA KILLED THE UNDERWATER ARCTIC TITAN; TIAMET AND ABSORBED ALL ENERGY IN HER LAIR WHICH SAT IN THE DIRECT

PATH OF ELECTROMAGNETICALLY CHARGED SOLAR WINDS, MAKING IT THE LARGEST STOCKPILE OF ENERGY ON EARTH. GODZILLA BECAME MORE EVOLVED AND SUPERCHARGED AFTER ABSORBING ALL TIAMET'S ENERGY AS HE NEEDED THAT ENERGY TO FIGHT THE SKAR KING. MEANWHILE, MONARCH LED AN EXPEDITION TO FIND A SIGNAL FROM THE IWI CALLING FOR HELP IN THE HOLLOW EARTH, AS THEY SENSED IT WAS A MATTER OF TIME BEFORE THE SKAR KING AND HIS TRIBE WOULD ESCAPE THEIR SUBTERRANEAN FIREY REALM. BUT THEY BELIEVED THAT AT THE END OF THE WORLD, ONE OF THEIR OWN WOULD RETURN AND AWAKEN MOTHRA; NOT ONLY THE QUEEN OF THE TITAN MONSTERS AND TRUSTED SYMBIOTIC ALLY MATE OF GODZILLA, BUT THE DEFENDER OF THE IWI TOO. AND THAT IWI WOULD BE AN IWI FROM SKULL ISLAND. AND JIA WAS THE LAST IWI CITIZEN FROM SKULL ISLAND. SO, WHILE THE SKAR KING RODE ON SHIMO AND LED HIS TRIBE TO THE IWI'S VALLEY, ILLENE ANDREWS AND HER TEAM GAVE AN INJURED KONG THEIR PROJECT POWERHOUSE (THE B.E.A.S.T. GLOVE; BIO ENHANCED ANATOMECH SEISMIC THUNDER) AFTER SHIMO GAVE KONG A FROSTBITE ARM FROM HIS FROST. JIA EVEN BROUGHT BACK MOTHRA AND TOGETHER, THE TWO OF THEM TOLD GODZILLA AND KONG THAT THE SKAR KING WAS WHY THEIR ANCESTRAL WAR TOOK PLACE. AND THAT JIA CAME TO BRING THEM TOGETHER TO SAVE THEIR KINGDOM; HOLLOW EARTH AND THE SURFACE, FROM THE SKAR KING. I CALLED THAT TITAN UNION BETWEEN THE THREE ALPHA TITANS; THE TITAN 3. TOGETHER, IN BOTH THE HOLLOW EARTH AND RIO, BRAZIL, THEY FOUGHT THE SKAR KING AND THANKS TO SUKO, A YOUNG APE KONG MET WHILE SEARCHING FOR MORE OF HIS KIND, HE USED KONG'S AXE TO DESTROY THE CRYSTAL SPIKE TO FREE SHIMO. GODZILLA AND KONG OVERMATCHED THE SKAR KING AND SHIMO HAD HER FIRST FREE WILL CHOICE. SHE BLASTED HER FROST POWER AT THE SKAR KING, FREEZING HIM AND KONG SMASHED THE FROZEN BODY TO PIECES, ENDING THE SKAR KING'S TYRANT REIGN FOREVER, THEREFORE FREEING THE GREAT APES AND KONG, ALONGSIDE SUKO AND SHIMO, BECAME THEIR NEW, BETTER AND HONOURABLE LEADER. SO, I CHOSE THE MONSTERVERSE TO JOIN MY CROSSOVER EMPIRE BECAUSE I SAW THAT TOOTHLESS AND LIGHTRA HAVE SIMILARITIES TO GODZILLA AND MOTHRA; BOTH BEING ALPHA PAIRS THAT PROTECT THEIR KINGDOMS OF CREATURES FROM THREATS AND THAT IT WAS ANOTHER PERFECT EXAMPLE OF WORDS FILLED WITH MANY CREATURES TO PROTECT, LIKE A NATURE PRESERVE. ESPECIALLY GODZILLA, KONG AND MOTHRA AND THE TITANS BEING THE PROTECTORS OF EARTH AND HUMANITY. ALSO, MAINLY, I SEE THAT THIS GODZILLA, UNLIKE IN THE 20TH CENTURY IN JAPAN, HE AND MOTHRA ARE A BENEVOLENT PAIR OF EMOTIONAL BEINGS WHO PROTECT THE BALANCE OF NATURE ON EARTH TO ENSURE IT DOESN'T ROT TO DESTRUCTIVE EXTINCTION.

14. Animal World of Dr. John Dolittle:

In this world, there is a doctor with the most extraordinary ability that no normal human being can be worthy of having. A man who can hear animals speaking English like humans can. Doctor John Dolittle. He loves talking to animals more than his own species; humans. In fact, he even said that animals are so much more interestingly fun than people. In one time period of this man, in the year 1845, in the town of Puddleby on the Marsh in England, his only friends he has ever had are Matthew Mugg and Tommy Stubbins. In this adventure, Dolittle planned to gather up enough money to take a ship out on a voyage search for the legendary Great Pink Sea Snail. He teamed up with circus ringmaster Albert Blossom [played by Richard Attenborough] presenting a two headed creature given as a gift to Dolittle from a friend of his to help him make enough money so he could buy a ship to find the Snail. A creature called the Pushmi Pullyu to many audiences and was able to earn more than enough to buy a ship called the Flounder and set off on his search with his few animals; mainly Polynesia, Chee-Chee and Jib, as his crew alongside Matthew and Tommy. When they got shipwrecked in a storm and managed to find their targeted destination; a floating island called Sea Star Island. They meet the island's highly educated natives who are cultured from reading books that have washed ashore after many countless shipwrecks and even name their children after their favourite authors. Their Chieftain is William "Willie" Shakespeare the Tenth. After a setback of the island drifting too far north into colder waters, which gave all of the animals colds. Dolittle tended to the animals then asked a whale to push the island back south which connected the island back with Africa which confirmed a legend that Sea Star Island had been broken off from Africa for 50 centuries earlier. For bringing them home, the people admire Dolittle as a god for a 1,000 moons. Dolittle finished helping the animals and surprisingly met the Great Pink Sea Snail with a terrible cold. Dolittle tended to him and in repayment, the Snail carried Tommy, Matthew and an accomplice of theirs Emma Fairfax back to Puddleby as he wanted to visit his cousin; the Loch Ness Monster in Scotland anyway. Dolittle came home riding the Giant Lunar Moth; a creature that flies back and forth between Earth and the Moon. In another time period, yet similar taking after that adventure, Dolittle travelled the world onboard the Flounder alongside his animal crew and Tommy Stubbins helping all animals on Earth in the animal kingdom of all kinds, even real mythical ones. From injuries to sickness illnesses. But while doing so, they were being spied on by Sam Scurvy and his pirate crew; The Democratic Order of Pirates International (or "DOPI" for short). Sam Scurvy had one goal in life: world domination. He strongly believed that if he could get the secret to talking to animals from Doctor Dolittle, he would have been able to raise an army of "creepy creatures" to help him take over the world. But thanks to Doctor Dolittle's skills as well as the pirates' lack of ability skills, they never succeed. Always ended up with

lots of incompetence. Finally, in the Victorian Era in England, Doctor John Dolittle was gifted a marvellous sanctuary and nature preserve by the Queen open for all creatures. It was a tremendous time era for Dolittle defending all animals across the globe alongside his wife; Lily, until she died at sea. Heartbroken, he locked the gates of his sanctuary manor and hide from the world. Until a very special boy named Tommy Stubbins came into Doctor Dolittle's life alongside the Queen of England's maid of honour; Lady Rose who needed him to go help the Queen who was poisoned by a plant called Nightshade. Even though he didn't want to because of being more of an animal person, also because mainly of Lily's death, Dolittle accompanied Lady Rose to Buckingham palace. There, Dolittle stated about the Nightshade and that the Queen will die if she didn't receive the cure: the magical fruit from the Eden Tree. So, Dolittle and his animal crew, alongside Tommy with Poly's persuasion, went to steal Lily's journal as she was the only one to have marked a mapping route directly to the island where the Eden Tree is. It was on the island of Monteverde, ruled over by Lily's father, the island's notorious ruler; King Rassouli. But even though they were able to get the journal, Blair Müdfly; Dolittle's old school mate from the Germans, stole it from them and destroyed their ship to keep them from following. The truth was Lord Thomas Badgley, a member of the House of Lords, assigned Müdfly to follow Dolittle to ensure he never returned back to cure the Queen. He wanted to take the throne as the country had enemies everywhere waiting for the slightest of weakness. Thinking that it was madness entrusting Britain to Lady Rose. "A child Queen?" So, he sent Müdfly to get the Eden Tree fruit first. Meanwhile, while Müdfly got the slip with Lily's journal, King Rassouli overheard that Dolittle was only trying to honour Lily's memory by finishing her expedition and that he missed her too. So, he allowed him a ship to chase after Müdfly and find the Eden Tree and with the help of Humphrey the humpback whale and his whale pals, Dolittle and his crew found Eden Tree Island. They had a confrontation with Müdfly but got ambushed by the Guardian of the Tree. A dragoness named Ginko-Who-Soars. Dolittle's crew helped the dragon back to health and she repaid them with access to the Eden Tree. Thankfully, the crew managed to return to England on time to heal the dying Queen Victoria with the Eden Tree fruit and exposed Lord Badgley of his act of treason. After seeing the vial of Deathly Nightshade in his pocket as evidence, Queen Victoria had him sent to the Tower of London. After that, Dolittle reopened his sanctuary manor, as Lily would have wanted and took in Tommy as his apprentice. Learning also that only by helping others, we can truly help ourselves. So, I've chosen Dr John Dolittle and his animal crew to join the Biodiverse Empire because of John wanting to help and heal all in the animal kingdom as he is a special person who can understand all creatures speaking in English which a lot of the human race can't hear them say at all. Also, Dolittle and his animals would be a perfect example for the Resistance to protect and preserve of creature life on Earth and beyond. Finally, being so fascinated in there being a couple of creatures on Earth that the doctor had helped, this kingdom for my crossover empire is worthy joining forces with to protecting all fauna life.

15. Dragon Realm:

In this world, an extraordinary team of Dragon Riders came together to protect the Dragon and Human Realms from a dangerous enemy Dragon called the DRAGON OF DEATH, who was determined to find a human whose heart matched her own so she could rule over both realms. It all started when a 12-year-old boy named Billy Chan was sent to a summer camp called Camp Dragon in the mountains of China. He would rather spend the holidays surfing, until he and 3 camp mates; Dylan, Ling-Fei and Charlotte, broke open a cursed mountain which trapped in 4 real life warrior dragons. That mountain is one of the only passages between the two realms. The four dragons were able to send the Dragon of Death through a time portal which they created to an age of time before humans and dragons, but she was able to cast a curse on the mountain to seal them in. Only finding 4 hearts that matched their own could break the curse, open the mountain and free them. That was what, Billy, Dylan, Ling-Fei and Charlotte did. Their hearts matched the hearts of the 4 dragons in the mountain. They needed Billy and his new friends' help to join their war against the DRAGON OF DEATH to save both their realms, or else her own future would have been fulfilled. With a lustful thirst for power and to kill both dragons and humans alike. To fulfil a future where evil and chaos reign under her rule and those who betray all that is good to join her; the Noxious or nox-wings, rise up with her, poisoned by their desire to share in her dark power. A future called DRAGON CITY. They would enslave all dragon kind and humanity in chains unless Billy and his friends bonded with these 4 dragons with the ancient dragon-human heart bond that saved both their realms. So, after an amazing period of bonding, especially Billy and his friends got new outfits to make them more stronger and make their bond stronger with their dragons, which they called SPARK, TANK, XING and BUTTONS. Ready to join their world of war, a war to protect their two realms from the Dragon of Death and her dangerous goal. Along their adventures, this unbelievable Dragon Rider team made a lot of hard choices and sacrifices to protect their realms. Especially with searching for 8 magical pearls like the ones they have, discovering the Dragon of Death's future; DRAGON CITY, making new dragon allies called the Thunder Clan and hoped that Spark would break free from her dark magic possession from swallowing a star on their travel through time. After their victory over the Dragon of Death, the Riders reunite with their dragons earlier than they expect because of the greedy employer of a technological company that caused torn holes from the Dragon Realm to collide into the Human Realm. Including with the presence of a giant sea dragon. The Riders even made 2 new Rider friends who

bonded with their own dragons along the way. The 6 Riders and their 6 dragons, including the giant sea dragon who one of the 2 new Riders; Lola; bonded with and called Neptune, alongside the Thunder Clan found a powerful sword and battled the employer and a couple of dragons in London, UK. Still, the Riders and their Dragons faced a lot of changes because of the Dragon Realm colliding into the Human Realm. Especially when they faced a final enemy called Flame, who arrived wanting to eradicate and replace humanity with dragons conquering the two realms. So, the Dragon Riders and the Thunder Clan helped humanity and dragon-kind to coexist together as one along with finding a new home for the dragon population. After all that, because of this team of powerfully extraordinary Dragon Riders, a global protection unit was created when dragons and humans were forced to co-exist together in what their world is now called the New World. A unified unit called the Dragon Force dedicated to protecting humans from dangerous dragons and dragons from dangerous humans. But more importantly, humans and dragons who shared the same evil heart. Not only dragons, but other dangerous beasts from the Dragon Realm who found their way into the Human Realm and had no interest in relationship building with humans or dragons. The new Dragon Force, big fans of the original members of Billy's team, are Lance Lo and his little sister Zoe Lo, Bea and Arthur trained and bonded with their own dragons at Camp Claw. Infinity, Violet, Neon and Jaws. Also, Infinity was from a special egg Billy's Dragon Force team were tasked to found in their last quest adventure. But then, when the core members of the Dragon Force team got captured by a powerfully transgalactic creature called the Devourer with a greedy appetite for magic, described as a "destroyer of worlds" from another galaxy and posing a major threat to the world, Lanco Lo and Infinity led their Dragon Force team to fight the Devourer to save Camp Claw and the world from being destroyed. So, I chose this enthralling world of determination, teamwork, battles, justice and evil, emotions and betrayal, true friendship and more importantly..... love and trust because from reading this amazing book series, I see similarity of dragon and human bonds from the How To Train Your Dragon franchise and trust bond similar to Raya, Sisu and Kumandra. This book series was acclaimed so much by many readers, even me when I first started in 2024, it made the readers, even me, "make us wish and long for a bond with a dragon". So, I wanted the company I love, DreamWorks to create an adaptation franchise to Katie and Kevin's unforgettable series so that these new Dragon Riders can have the Resistance' entire support and love to helping them protect their two realms from any and all threats to them.

16. Troll Kingdom/Trollstopia and Bergen Town:

In this world, there is a race of tiny musical creatures called the TROLLS. But in the beginning, there was silence. But then, someone made a sound. The Troll Ancestors were so fascinated by the sound; they each plucked a hair and created 6 special strings each for a different genre of music. Pop, Funk, Techno, Classical, Country and Hard Rock. Even other music genres in between, like Yodeling, K-Pop, Reggaeton and Smooth Jazz. Life was like one big endless party, until a discord disagreement struck. They fought over what kind of music the strings would play. The ancestors thought that the one solution to stop this arguing would be to separate their genres. So they did. They took a string and go their separate ways. Those 6 Troll clans live in isolation ever since. TECHNO; Techno Reef, currently ruled by King Trolltex. COUNTRY; Lonesome Flats, currently ruled by Delta Dawn. ROCK; Volcano Rock City, currently ruled Queen Barb, daughter of King Thrash. CLASSICAL; SymphonyVille, currently ruled by their conductor Trollzart. FUNK; Vibe City, currently ruled by King Quincy, Queen Essence and their sons, Princes Darnell, or D for short, and their lost prince, Cooper. And finally, POP; currently by Queen Poppy, daughter of King Peppy. But aside from the TROLLS in Troll Kingdom, there is also a town of giant creatures called the Bergens. They didn't know how to sing or dance or hug like the Trolls can. They wanted to feel their happiness. One of them ate a Troll and then him/her feel so happy which made the Bergens start a tradition when they gathered round the Troll Tree got to taste happiness on a holiday they called Trollstice. But on one Trollstice, King Peppy led the Pop Trolls in long dug out tunnels under the Troll Tree to escape Bergen Town, along with their baby princess; Poppy. The Minister of Happiness, the Bergen Chef was forever banished by the King; King Gristle Sr. After he died, his son Prince Gristle Jr. took over as King. Meanwhile, for 2 decades, the Pop Trolls built a new civilization in the forest where continued living as King until it was time to retire and pass the crown down to Poppy as Queen. Poppy held a huge loud party in celebration of that crowning. Thinking she was just being irresponsibly loud and crazy and was just going to lead the Bergens right to them, I learned now that she was only throwing loud crazy parties to show her kindness and let her Troll people know she cares for them. Even the Snack Pack; Cooper, Smidge, Fuzzbert, sister Satin and Chenille, DJ Suki, Guy Diamond Biggie and his pet worm Mr Dinkles. But what they didn't know was that the loud noise of that party led the Bergen Chef to their location. She had been searching for the Trolls ever since her banishment and desired to feed them to Bergen Town again and get revenge as she thought they were ungrateful. She attacked Pop Village and snatched the Snack Pack. Poppy needed to save them but she needed help. She went with a responsible awareness Troll who's been living underground in his own survival bunker named Branch. The two unlikely friends went entered Bergen Town through the old escape tunnels and out to the TROLL Tree. The Bergen Chef presented the Trolls to King Gristle Jr. who brought by Trollstice. But this Trollstice, the Chef planned to become Queen of Happiness. Poppy and Branch

followed the caged Snack Pack through the castle to underneath it. To the scullery maid Bridget's room. A lonely Bergen lady who was in love with the King. Poppy and the Snack Pack agreed to help her. But Branch refused because of the singing. He snapped to Poppy that singing led his grandmother's death. Poppy was shocked by this fact about him. Especially when it was Branch the one singing. I was shocked by that fact too. You wouldn't even believe the shock I felt when Branch yelled out that horrifying fact. He told Poppy about the memory. That day at the Troll Tree, he was so lost in song when he was a boy, he didn't know that his Grandma Roisepuff was trying to warn him that the Bergen Chef was coming towards him. Right before the Chef could snatch Branch, Roisepuff pushed him off the tree branch and the Chef snatched her instead. Roisepuff saved her grandson. But Branch was heartbroken when he saw the Chef walk away with his grandma in her hand. He lost 2 other things that day, his bright blue colours and worse, his confidence to make him sing beautifully like an angel again. Branch then agreed to help but still wouldn't sing. The Snack Pack used their hair to disguise Bridget as cute attractive lady called Lady Glittersparkles. After a successful date, yet quickly ended by the Chef, the Poppy and Branch led the Snack Pack to rescue a final captive, Creek, but with his help, the Chef captured them. The Chef captured all the Pop Troll nation, even King Peppy. Poppy felt ashamed and admitted Branch was right. The world isn't what she and the Pop Trolls expected it to be. With that, Poppy was so sad like Branch was, she lost her colours. The Pop Trolls were sad for their princess; they lost their colours too. Branch was horrified that Poppy and the Trolls were repeating the same emotion he felt when he lost his grandma. He didn't want Poppy to forever stay like that, to be in the same way he was after losing Roisepuff. So, after 20 years of never singing again after Roisepuff's sacrifice, Branch sang a beautiful love song for Poppy. The Trolls were surprised him singing. His beautiful voice brought back Poppy's colours. Her TRUE COLOURS. Poppy joined in the song and brought back Branch's True Colours too. With that song, the two of them are Rainbow Trolls; the most devoted Troll kind in their history. The beautiful song and dance from them brought back the colours of their Troll nation. Branch finally had his beautiful angel voice and his happiness back. He just needed Poppy to help him bring it back into his life again. Not knowing, Bridget heard all that and secretly brought the pot holding the Trolls to the front of the palace to let them escape, not wanting the Bergens to eat them, especially Poppy. That moment Poppy and Bridget had showed their bonded sisterly devotion. Not wanting Bridget to give her life for her and the Trolls, seeing that it wasn't right, Poppy decided that Bridge and Gristle deserved to feel true happiness and love as much as the Trolls. The whole of Bergen Town deserved to. So, before the Bergen Chef and the guards could finish Bridget off, Poppy, Branch and the Snack Pack revealed Bridget as Lady Glittersparkles in front of the Bergens. In front of King Gristle. Poppy said that on their date, Bridget and Gristle were already feeling happiness for each other. And love. Even without eating Trolls. Gristle didn't even eat a single Troll in his life. Gristle saw that Poppy was right. That was a comparison I saw;

Gristle and Hiccup are similar. Never ate a Troll and never killed a Dragon in their lives. So, Gristle and Bridget officially united in love for other at last. Bridget got her wish. Just as Poppy and Branch were happy for them, the Bergen Chef was opposed with thinking it was a lie. With sticking to what Bergen Town knew. Only eating Trolls can make them happy. Her way. Declaring that with her as queen, Trolls would be served every day and everyday would be a never-ending feast of happiness. In saying so, the Chef nearly forced Gristle to eat Branch, just like she took his grandma, but Poppy saved Branch. The Bergens were living a lie. Poppy said to them they already have happiness. It was never something you put inside of you; it's already inside you. Feeling excited, the Bergens, including the two guards Chad and Todd, watched and joined in with Poppy, Branch, the Snack Pack and all the Pop Troll nation in a song and dance that represented feeling true happiness and the beginning of a reign of unity between TROLLS and BERGENS forever. And that union was forged by one Troll and Bergen friendship: Poppy and Bridget. That is another comparison between their world and Hiccup and Toothless' story. Humans and Dragons were unified by Hiccup and Toothless' bond. Their TRUST. The Bergen Chef was still furious with rage and before she could kill Poppy and Branch, Bridget threw a wooden spoon at her just like the Chef had been doing to her, then DJ Suki and Smidge squirted lemon juice in her eyes just like she did to Cooper, then Satin and Chenille tripped her over into the pot and Cooper lit a candle to send the Chef blowing away from Bergen Town. Colours shined all around Bergen Town, the Troll Tree bloomed with green life again and King Peppy crowned his daughter as Pop Troll Queen. Branch and Queen Poppy had brought the Trolls and Bergens together. After that, the Bergen Chef and Creek were then eaten by a giant hill monster. Poppy and Branch made their world better, became best friends and the journey had just begun after that. What they were about to discover was that their world was much bigger than they expected. Other there being Bergens and their Trolls tribe, there weren't alone as the only Troll species in their world. King Peppy knew but never wanted Poppy to know, hoping to have protected her from that secret. The Pop Trolls received a scroll from Queen Barb of the Hard Rock Trolls announcing an All Nations Under Rock World Tour. But what Poppy and Branch didn't know, until they saw the destruction Barb caused to SymphonyVille, she was stealing the 6 music strings to combine them as the strings of a guitar she called the Ultimate Power Chord. On their second stop, Vibe City, Poppy and Branch met Cooper's family and Poppy wanted to combine their music to show Barb music unites all Trolls, that the Trolls are all the same and she's one of them. Cooper's family told Poppy, that it was Pop that wanted to control all music. She was horrified. Branch even said that it was similar to what Queen Barb was trying to do. But Poppy could make it right. She said that history was going to keep repeating until the Trolls understood that they're all the same. But Quincy and Essence told her that they're not the same. Which is why their strings are different. Because they reflect their different music. Ignoring their differences is ignoring the truth of who the Trolls of the whole Troll Kingdom truly are. Poppy never thought

of it like that. Poppy and Branch then thought they were too different to be together, so Branch left her. After a long hard struggle after that, including Barb capturing Poppy, Branch secretly telling two bounty hunter gangs; the K-Pop and Reggaetón Trolls that all music should be saved and a final musical combat between Poppy and Barb, Poppy told her that a world where the Trolls look and sound the same is not harmony, a good queen listens and that true harmony takes lots of different voices. She then destroyed the Ultimate Power Chord and with it, the 6 music strings. But what they didn't know, especially Barb, was that the strings were not the source of the different music. The TROLLS were. The Troll leaders declared that music can't be destroyed. Nothing can when it is made in the heart. Because that's where music truly comes from. It started with the strings and continues with the Trolls. Music comes from our experiences, our lives and cultures. Barb could never take that away. No one can. With that, Poppy and Branch sang a mighty song which brought back all their kingdom's colours. The ruling leaders and all Troll kind sang in too. Troll Kingdom was reunited forever in truth of the differences of music can positively bring them together. Even Branch finally confessed his devoted love for Poppy, who gave her love for him in return. Turns out the ancestors were very, very wrong about the differences of their music. It's all their sounds and all differences that make their world a better place, because you can't harmonize alone. Not only Poppy and Branch united in devotion to each other too like their two Bergen friends, but they both reunited a torn apart Troll Kingdom of other Troll kinds with different music genres. After all that, Poppy and Branch even made a utopia of the different Troll tribes called TROLLSTOPIA. They even formed the ambassadors of the Troll leaders as a tribal council. Including Synth; ambassador to King Trolltex, Dainte; ambassador to Trollzart, Valentina Thundershock; ambassador to Queen Barb and Holly Darlin'; ambassador to Delta Dawn. Aside from all reuniting the Troll clans, Poppy and Branch helped Bridget and Gristle replace Trollstice with a brand new and even better holiday called TROLL-A-BRATION!!!!!!!!!! Also, Poppy announced Troll Kingdom's first annual holiday Gift Swap. The first and possibly the best I've seen the two devoted little musical creatures and their kingdom have. One when Poppy gave Branch a first kiss. Two winter specials that were all worth it for these two tiny DreamWorks legends. A month after the World Tour, Poppy and Branch attended Bridget and Gristle's royal wedding. Another perfect example of TROLLS and BERGEN unity. Just like the Berkian Vikings and the Dragons. Suddenly, a Troll named JOHN DORY interrupted the wedding looking for Branch. He revealed that he was Branch's big brother. But Branch was not happy to see him after he and his other brothers abandoned him and never came back to him since he was a baby. Before losing his grandma and meeting Poppy, Branch was the youngest member of a boyband called BROZONE. His other brothers in the band aside from John are BRUCE, CLAY and FLOYD. During their first show, John was stubbornly opposed for BroZone to hit the Perfect Family Harmony - a magical superpower unleashed when Troll musicians perform in perfect sync. But when BroZone struggled to hold the final hit, all John did was stubbornly forced his follow his

lead instead of listening to their feelings, even what Floyd said about just going out and having fun as a family. John was so angry when they failed. But Spruce told him that him being stubborn and obsessive to hit the Perfect Family Harmony which leads to disaster was exactly what happened when they listened to him. Spruce and Clay had enough of him, so they left without even saying goodbye, leaving their two younger brothers alone. Floyd left too, but unlike John, Spruce and Clay, he said supportive loving big brother words to Branch. He even gave him his green leafy vest. Secretly, before the wedding, Branch admitted to himself that he missed his brothers. Poppy was surprised that Branch has other family other than his grandma, but shocked that Branch never told her. He never wanted to tell her about his brothers because he was deeply hurt and ashamed by their past abandonment and BroZone's stubborn breakup. John had only come back after hearing that it was Branch, along with Poppy saving the world twice; but mainly from Queen Barb's Rock-apocalypse World Tour which was when he found out Branch was still alive. Branch started sweet to him towards that last part but snapped at the fact of John being 20 YEARS LATE! Poppy tried to calm him and Branch knew that John only arrived because he needed something. He was right. John needed his brother's help. About Floyd, being captured. Branch was confused about what his brother was telling him and John told him what happened. He received a letter saying Floyd about him being abducted on Mount Rageous by superstar sibling singers Velvet and Veneer in an unbreakable diamond they're using to extract his talent magic like perfume and the only thing powerful enough to free him is the Perfect Family Harmony. John needed come with their brothers to free Floyd. So, Branch and Poppy went with him after the wedding was done. Traveling in John's armadillo-like portable van named Rhonda. They found Spruce, now preferred as Bruce, on Vacay Island, where he settled as a husband to Vacaytioner named Brandy and as a father to a group of hybrid kids; of half-Troll and half-Vacaytioner. Next, they found Clay and another race of Trolls called Putt Putt Trolls in an abandoned golf course to the Bergens called Hole N' Fun. Clay is the second in command and right-hand man to their leader Viva, who Poppy's sister, King Peppy's other daughter. Poppy was overjoyed at the fact that she finally got her wish. She had a sister the whole time. Viva got separated from Poppy and their dad when Peppy led the Pop Trolls in escaping Bergen Town in the escape tunnels. But Viva never liked to talk about it because she said those memories were too painful for her. The entire Pop Troll nation didn't make it out of the Tree. Some of them got trapped by the Bergens, including the Bergen Chef and they were so close to getting eaten until Viva led a squadron of other trolls to fight them off. But just as they were about to meet the others, the tunnels collapsed, separating them from the rest of the Pop Troll nation. King Peppy tried to find her but only found Viva's Hug Time bracelet. She found and made Hole N' Fun their new home for their new clan the Putt Putt Trolls and lived there ever since. Clay must have moved in with Viva and the Putt Putt Trolls there after BroZone broke up and he became Viva's second in command for her clan. They didn't even know of what Poppy and Branch had accomplished in

Bergen Town with the Snack Pack uniting Gristle and Bridget and bringing Trolls and Bergens together. But Viva was too afraid of losing Poppy again to listen to her. King Poppy knew we was supposed to have told Poppy about he had another daughter and Poppy had a sister but he was heartbroken, thinking he had lost Viva. He felt so guilty like a failure, more than just a King, but more importantly, as a father. Viva tried to forcefully keep Poppy and BroZone from leaving because of she and the clan still strongly know the Bergens still want to eat them. But Poppy tried telling her because of her and Branch, they stopped and they coexist with the Trolls. Viva thought she was lying. But Poppy then said that Bridget, her sisterly best friend is a Bergen. Branch told Viva that he was just like her. After losing his Grandma Roisepuff, he built a safety survival bunker which kept him alive and safe, but Viva still refused to listen. But then, Clay strongly said to Viva that he felt similar pain knowing they needed to leave to save Floyd from dying. John Dory and Bruce were proud of their brother's righteous support, but Viva felt betrayed. Poppy taught Viva a quick lesson that even though things like what they were about to do is risky, it's always worth it in the end. Family is always worth it. But Viva was still too afraid. Consumed by FEAR. Poppy saw that Branch was right. Family is complicated. After a Perfect Family Harmony practise, Branch finally snapped out that Bruce and Clay were always mad at John Dory, who had hurt Branch's feelings when he wanted them all to be a family again, for never changing his personality; having a stubborn issue for perfection and wanting his little brothers to be obsessed just like him. But they still treated Branch the exact way, they left Branch out of their agreement and treated him like a baby, especially now that he's a grown-up adult man. But because of them not saying goodbye to him when they broke up, unlike Floyd did with loving support like a real brother to him, he stopped him a baby and matured entirely. Especially because of the Bergen Chef taking and eating their Grandma Roisepuff and there was no one to take of Branch but himself hardened and broken hearted. So, the brothers saw Branch get payback by walking out on them like a grown adult man. Poppy, who was watching the whole thing, then saw that his bunker was built for them. When Floyd said goodbye, Branch said that when they'd come back someday, they'd hang out in their own Fun Bunker with a 10-story waterslide to shower. John didn't know and neither did I. Poppy guessed that the brothers were so focused on being a band, they forgot how to be a proper devoted and caring family. They didn't even know their Grandma was dead. Poppy ran after join Branch, who went off to save Floyd alone. Not needing them growing up and thinking that didn't need them at all currently. Worse, he thought Poppy was gonna walk out on him too and that everyone seemed to do that to me. Poppy was shocked but then reminded Branch that She had been by his side from the moment they met and he had been by hers. That made Branch understand that she was right and that he let his feelings about his feelings get confused with his feelings for Poppy. He didn't want to let that stressful confusion make him lose Poppy.....again. And neither did I. So, Branch felt thankful for Poppy and her comfort support to him. Even when

she told him that she's never leaving him. To not only save Floyd but to be with him in Roisepuff's devoted honor. They shared a devoted hug, which I believed marked their beginning as not just a couple and they already are, but as a family pair. Tiny Diamond's Guy Diamond's son accompanied them to Mount Rageous, where they found Floyd. Branch's reunion with him was a true proper brotherly bond. Floyd respecting Branch no more as a baby as what John, Bruce and Clay should have seen Branch as. No longer Baby Branch or Bitty B, but as a grown-up man. Branch was delighted that finally someone in his family respected him. Branch and Floyd's hug warmed Poppy's heart to see Branch temporarily reunited with his compatible big brother. She felt proud for the love of her life being with his brother. But Floyd then told Branch and Poppy that it was a trap. The letter John got was from Velvet. She lured BroZone to Mount Rageous. But Branch couldn't leave Floyd, not wanting to lose him like his lost their grandmother. But Velvet and Veneer came for Floyd after abducting John, Bruce and Clay, even Rhonda. Meanwhile, on their honeymoon, Gristle and Bridget were ambushed by the Putt Putt Trolls. But Viva stopped the golf clown's head from executing them. Finally meeting Bridget, her sister's Bergen sisterly best friend and feeling she made a huge mistake, tying the two Bergen friends of Poppy and Branch on her orders then felt remorse for not listening or believing Poppy about what she and Branch had done in Bergen Town and worse, not going with her to save Floyd from having his talent magic extracted to his death. In front of an adoring crowd of Mount Rageons, Poppy and Branch angrily confront Velvet and Veneer and nearly had them exposed for abducting and extracting BroZone's talent because they didn't have their own. The two siblings tried by it never worked. Velvet didn't even want to practice, even though Veneer tried to tell her they could have tried. The two sibs tried to make an escape but Rhonda, carrying Poppy, Branch and Tiny were in pursuit. Every time before Branch could try to free Floyd, Velvet just swatted him away, desired to keep lying to the Rageons and wanting a luxurious life of being famous. But thankfully, Gristle and Bridget joined them in perfect timing, thanks to Viva, who apologized to Poppy for not trusting her. But Poppy comforted her by saying that their story had issues but didn't need to be perfect, as long as they're together. Branch enjoyed that moment and felt the same way Poppy did. Feeling proud for the love of his life being with her sister. The Troll family then fought the two villainous superstar singers until John, Bruce and Clay were freed but still in their diamonds, but a weak Floyd was still captive on Velvet. Velvet was pushing too, wanting to give the Rageons an encore, but Veneer was feeling strongly remorsefully guilty for Floyd. But Velvet stubbornly refused to stop, wanting to continue being very famous, thinking their lives were terrible, but Veneer tried telling her their lives weren't awful. Still, his sister pushed too far and Floyd's body was nearly white. Branch told John, Bruce and Clay that Poppy was right about what she said to Viva. They didn't need to be perfect at all to sing a Family Harmony. They just need to be what families and friends are. **TOGETHER**. With those words, the three big brothers saw that their baby brother had truly grown up to become their new leader

and they knew that.....even John Dory knew it, then said that they'll follow Branch's lead. The four brothers alongside Poppy and Viva singing with them, they all sang NSYNC's song after 20 years; BETTER PLACE, which was the most extraordinary song I ever heard, even better than my previous favorite song; Owl City's song; Take To The Sky. With that Family Harmony, the force of the harmonious singing freed Floyd from Velvet. She desperately tried to pull him back but the energy of the BroZone family's amazing song was too strong to fight. Even stronger than her singing. And anyway, Veneer pulled his sister back to protect Floyd from her. And then, with the most tremendous glass sounding explosion, a magically musically energy blast destroyed the diamond bottles, freeing the BroZone brothers, even Floyd. The blast spread across Mount Rageous and the force pushed Velvet and Veneer off the tower of their boat and sent them into the river. BroZone finally hit the Perfect Family Harmony. But Floyd talent magic was completely gone and he completely white. He fell into Branch's arms like a collapsed dead body. The brothers were horrified with broken hearts, thinking they just lost their brother, like they lost their grandma too. Poppy and Viva felt broken hearted for BroZone's loss. But just as Branch said that after their grandma's sacrifice, he built the bunker hideout but not the 10-story waterslide, Floyd thankfully still has some life in him and his colours restored back to full health. The brothers embraced him along with Poppy and Viva joining in. Velvet and Veneer climbed out of the river and saw the reunion. Velvet was just confused with disgust, but Veneer was happy and heart warmed by this beautiful family moment. He then decided it was time to stop, come clean and confess to the Mount Rageons about them being FRAUDS! The Rageons were shocked and horrified by this truth. He told them that they just wanted to be famous. But technically, Velvet, alone, wanted to be famous after strongly thinking their lives were awful and terrible. Worse, Veneer was too afraid to stand up to her. So, it was mostly Velvet's doing but Veneer still went along. Velvet was horrified in hatred to him without any guilt that she abused and misguided her brother. So, Veneer kept confronting his sister which led to disowning her by saying that she forced her him to change, to be just like her; a selfish, greedy liar. Which was never okay, wither they were family or not. Floyd felt so proud that Veneer did the right thing; following his own choices, even the lesson he taught him. Floyd's advice had gotten through to Veneer. That just because Velvet was Veneer's sister, it didn't mean he was meant to let her treat him like garbage. Also, wither they were siblings or not, Floyd saw that Veneer cared about his magic extracted pain, so, Veneer deserved to be treated with kindness and to be around people who would never ever try to change the being that he is. That lesson was something I kept in my heart forever. A true life lesson about family importance and respect. Floyd nodded to Veneer as approval and forgiveness that solidified their finally formed newfound friendship with Floyd being Veneer's first friend. Crimp then snapped handcuffs on them both, especially Veneer, even though he now had a redeemed change of heart. They were both promptly arrested for their various crimes – Troll-Knapping and Torture, Fraud and Tax Evasion, which that one was what

Clay pointed out, Poppy and Branch had a devoted moment which led to them finally sharing their first True Love's Kiss, with the Mount Rageons watching on screen and cheered in awe for them. Even Clay and Bruce did a handshake and watched as they felt proud for their little brother. Even Floyd shed a tear with happiness and pride for his little brother sharing true love with Poppy. The family returned to Vacay Island where BroZone performed the song BETTER PLACE again alongside another band Branch was in called Kismet. Ablaze, Hype, Boom and Trickee. Based on NSYNC and provides their voices. After that, Branch proposed for Poppy to join in BroZone. She and Viva as honorary members sang with BroZone in another song; FAMILY. BroZone IS BACK!!!!!! And it just got better with 2 extra members; two sisters. The daughters of King Peppy. I even call this 7 Troll sibling family band NSYNC BROZONE. So, I didn't want to know of about what happened in 2016 when the 2020 sequel came out, but I then decided to buy the 2016 DVD when I saw it in a shopping centre I know. It was then when I learned of Branch having lost Grandma Roisepuff and I was shocked with realization when I saw Branch snap to Poppy about it. So, I got to know all I love in Poppy and Branch's first chapter in their story together. Then I saw their 2ND chapter: the World Tour, which I called my favourite part of their story, until a 3RD chapter was made. Banding BroZone Back Together, which is now my #1 favourite part of their story. So, this world; Troll Kingdom and Bergen Town, is a perfect choices for a countless variety of reasons. 3 I can explain are [A] Poppy and Branch being masters of the essential virtue to life: Devotion to Family. [B] Thanks to them uniting two Bergens in love, Bergen Town deserving to join the empire because of what Poppy, and I, thought for Bridget. Finally, [C] these Trolls are perfect masters of music and song, so they can be the Biodiverse Empire's performing musicians, especially mainly BroZone. So, I've been so will bonded with Poppy and Branch's emotionally amazing story, they were a perfect example of another creature race I could focus on rather than just dragons. So also, combining other creatures, aside from dragons, together like Poppy and Branch's Troll Kingdom was a perfect opportunity for me to experience differences, which again, was another essential life lesson I never forget. Like Branch said: Differences Do Matter. Except, my Resistance and I accept and use it for positive reasons instead of negatively like the Trolls had for far too long. Finally, the Trolls shall be the source of keeping the Biodiversity Resistance and their crossover empire musically unified and happily devoted. I have no doubt Poppy and Branch will forever be remembered by all in the empire and us in the reality world. True Love and Devotion to Family and Friends conquers all.

17. KUMANDRA:

THIS STORY BEGAN IN A DYSTOPIAN WORLD. A KINGDOM WHOSE PEOPLE ARE DIVIDED INTO 5 TORN APART NATIONS. BUT BEFORE THAT, THIS KINGDOM WAS UNIFIED. A PEACEFUL KINGDOM CALLED KUMANDRA. THE KINGDOM WHERE THE PEOPLE THRIVED AND LIVED HARMONIOUSLY IN UNION ALONGSIDE.....WATER DRAGONS, MAGICAL CREATURES WHO BROUGHT WATER, RAIN AND PEACE. ALL WAS PARADISE UNTIL THE DRUUN CAME. A MINDLESS PLAGUE CREATED FROM HUMAN CONFLICT AND DISCORD THAT SPREAD LIKE WILDFIRE, CONSUMING ALL LIFE BY TURNING ALL LIVING BEINGS THEY TOUCHED INTO STONE STATUES. WHEN ONE TURNED SOMEONE INTO STONE, THAT DRUUN MULTIPLIED INTO 2. AND 2 MAKES 4. 4 MAKES 8, WHICH MAKES 16, WHICH MAKES 32, 64, 128, 256, 512 AND SO THEY KEPT MULTIPLYING. THE WATER DRAGONS FOUGHT FOR HUMANITY THE BEST THEY COULD, SACRIFICING THEMSELVES FOR THEM, BUT IT WASN'T ENOUGH. ALL THE DRAGONS WERE TURNED TO STONE. THE ONLY ONES LEFT WERE FIVE SIBLINGS. THE DATUS. PENGUDATU, JAGANDATU, PRANEEDATU, SISUDATU AND AMBADATU. THE DATU FAMILY WERE SURROUNDED IN A SEA OF DRUUN. BUT THE OLDEST DATU; PENGU, REFUSED TO ACCEPT SURRENDER AND DEFEAT. THAT WAS WHERE THEY MADE THEIR LAST STAND. ONE OF ONE, THEY COMBINED ALL THEIR MAGIC; RAIN SUMMONING, FOG GENERATION, SHAPESHIFTING AND GLOWING WHICH CREATED THE DRAGON GEM. BUT SISU ADD HERS, SHE PROBABLY DIDN'T EVEN HAVE ANY MAGIC AT ALL, OTHER THAN BEING A REALLY STRONG BEAUTIFUL MASTER SWIMMER. BUT HER FAMILY KNEW THEIR SISTER WOULD HAVE THE MORE IMPORTANT JOB. USING THE GEM TO RID THE DRUUN. SISU HAD NO IDEA WHY THEY CHOSE HER, BUT THE ONLY THING SHE KNEW WAS THAT SHE TRUSTED HER FAMILY AND BEING A TRUE SIBLING FAMILY, THEY TRUSTED HER; THEIR SISTER. WHAT I THOUGHT OF WAS THAT PENGU KNEW SISU IS THE MOST PURE HEARTED OF ALL HER SPECIES, EVEN OF HER OWN FAMILY, AND HE WAS RIGHT. AND SO, WITH THE EMPOWERMENT OF HER FAMILY'S TRUST FOR HER AND HER TRUST FOR THEM WITHIN HER, THE POWER OF THE GEM BLASTED THE DRUUN FROM EXISTENCE. SISU THEN WENT UNCONSCIOUS AND FELL INTO THE RIVER AND FLOATED DOWNSTREAM. EVERYONE THAT WAS TURNED TO STONE CAME BACK, EXCEPT FOR THE DRAGONS. THE PEOPLE THOUGHT THAT IT WAS SISU WHO MADE THE DRAGON GEM AND THAT SHE WAS DESTROYED TOO LIKE THE DRUUN. IT WAS SUPPOSED TO HAVE BEEN AN UNFORGETTABLE INSPIRATIONAL MOMENT WHERE HUMANITY WERE SUPPOSED TO HAVE UNITED IN HONOUR OF SISU'S SACRIFICE. BUT INSTEAD, HUMANS BEING HUMAN, THEY ONLY SELFISHLY FOUGHT TO POSSESS THE LAST REMNANT OF DRAGON MAGIC. BORDERS WERE THEN DRAWN AND KUMANDRA DIVIDED. THE PEOPLE BECAME FIVE LANDS, ENEMIES TO OWN ANOTHER AND THE DRAGON GEM WAS HIDDEN. IN A GIANT CHAMBER AROUND THE AREA WHERE THE DATU FAMILY'S LAST STAND TOOK PLACE, THE SUMMIT OF THE KUMANDRAN HEART MOUNTAIN. HEART GUARDED THE GEM FROM THE OTHER PEOPLE. THEY BELIEVED IN GREED AND MAD JEALOUSY THAT THE DRAGON GEM MAGICALLY BROUGHT THE PEOPLE OF HEART PROSPERITY. SO, IT HAS BEEN A TORN APART EMPIRE OF 5 CLANS NAMED AFTER A BODY PART OF THE DRAGON; FANG, HEART, SPINE, TALON AND TAIL, FOR 5 CENTURIES UNTIL HEART'S MIGHTY CHIEF BENJA AND HIS DAUGHTER PRINCESS RAYA CAME INTO THE STORY. THAT TORN APART DYSTOPIAN WORLD WASN'T THE WORLD BENJA WANTED RAYA TO LIVE IN. HE BELIEVED THAT KUMANDRA COULD RETURN AGAIN

AND HE ALSO BELIEVED HIS DAUGHTER COULD TAKE THE FIRST STEP. SO, SO, IN ATTEMPT TO DO SO, HE INVITED THE PEOPLE TO HEART TO A UNION FEAST. RAYA EVEN MET PRINCESS NAMAARI; PRINCESS OF FANG AND DAUGHTER OF CHIEF VIRANA. BUT AFTER SHOWING HER THE DRAGON GEM; AKA THE SPIRIT OF SISU, NAMAARI BETRAYED THEIR FRIENDSHIP TO GET THE GEM FOR FANG. BRINGING ALONG A TEAM OF FANG SOLDIERS, BUT BENJA SHOWED UP TO HELP RAYA. BUT THEN, ALL PEOPLE FROM SPINE, TAIL AND TALON CAME FOR IT. HOWEVER, UPON SEEING THE REFLECTION OF HIS DAUGHTER IN FIGHTING STANCE ON HIS SWORD, THIS WASN'T WHAT HE WANTED RAYA TO DO AND HE DESPERATELY TRIED GIVING THE PEOPLE THE TWO CHOICE. TO EITHER KEEP LIVING ON THEIR LIVES IN WAR WITH ANGER IN THEIR HEARTS TILL THEY DIE AND THEIR KINGDOM FALLS OR STOPPING THE FIGHTING AND COMING TOGETHER AT LAST TO BUILD A BETTER WORLD. BECOME MORE THAN A DYSTOPIAN WORLD OF ANGER AND FEAR. THE TRUE POISONS TO LIFE. BENJA STILL BELIEVED STRONGLY THAT KUMANDRA COULD RETURN AGAIN. RAYA FELT DISBELIEF AFTER HER NAMAARI'S BETRAYAL AND THOUGHT MAYBE HE WAS WRONG. BUT INSTEAD OF LISTENING, HUMANS BEING SELFISH AND GREEDY, THEY FOUGHT ANGRILY FOR THE GEM AFTER AN ARCHER SHOT BENJA IN THE LEG AND RAYA COMFORTED HIM. THE GEM WAS DROPPED AND SHATTERED INTO 5 PIECES. WITH THE ANGER OF THE HUMANS, A DRUUN ROSE FROM UNDERNEATH AND BEGAN TURNING THE PEOPLE INTO STONE AND MULTIPLYING AS IT DOES. EACH OF THE PEOPLE TOOK A PIECE OF THE GEM AFTER BENJA USED A GEM PIECE TO PUSH THE DRUUN BACK AND SEEING THAT THERE. THE PEOPLE ESCAPED BUT MANY WERE PETRIFIED BY THE DRUUN. RAYA TRIED TO HELP HER FATHER BUT HE WAS TOO WEAK AFTER BEING SHOT BY THE ARROW. AFTER TELLING HER THAT SHE NEEDED TO GO ON WITHOUT HIM, THAT THERE WAS STILL HOPE, TO NOT GIVE UP ON THE PEOPLE AND THE KINGDOM AND MORE IMPORTANTLY, HE LOVES HER, BENJA THREW RAYA OFF THE HEART BRIDGE AND INTO THE RIVER TO SAVE HER JUST AS HE GOT TURNED TO STONE BY THE DRUUN. RAYA AND TUK TUK FOLLOWED WHAT NAMAARI AND SEARCHED THE END OF EVERY ONE OF KUMANDRA'S RIVERS AND FOUND SISU IN A SHIPWRECK IN THE KUMANDRAN TAIL DESERT. AFTER SHE MET HER, RAYA TOLD SISU THAT THE GEM BROKE AND THE DRUUN CAME BACK WHICH MADE SISU ANXIOUSLY MAD ABOUT SHE WAS UNCONSCIOUS FOR 5 CENTURIES PLUS 6 YEARS, THAT THE HUMANS BROUGHT BACK THE DRUUN AND HER SIBLING FAMILY OR EVEN HER ENTIRE KIND DIDN'T EVEN COME BACK. JUST THEN, AFTER LEARNING FROM THE GEM SHARD HER FATHER GAVE HER THAT SISU WAS STILL CONNECTED TO THE DRAGON GEM'S MAGIC, THE TWO LADIES THOUGHT OF A PLAN TO STEAL BACK THE OTHER 4 GEM SHARDS SO SISU COULD RESEMBLE THEM AND BLAST THE DRUUN AWAY AND NOT ONLY BRING RAYA'S FATHER BACK BUT ALL OF KUMANDRA BACK. BUT ON THEIR JOURNEY TOGETHER, THEY WERE PURSED BY NAMAARI. ALSO, RAYA TOLD SISU THE TRUTH OF HOW HUMANITY WAS. MAD, JEALOUS, GREEDY AND DEVIOUSLY OBSESSIVE. BEING A WORLD OF ORPHANS BECAUSE HUMANS COULDN'T STOP FIGHTING FOR POWER. WORSE, SHE EVEN SAID TO SISU THAT THE WATER DRAGONS DIDN'T COME BACK BECAUSE PEOPLE DON'T DESERVE THEM. THE DRAGONS DIDN'T RETURN INITIALLY BECAUSE THEIR SACRIFICE TO CREATE THE DRAGON GEM WAS A ONE-TIME EVENT TO BANISH THE DRUUN AND SAVE HUMANITY. THE DRAGONS REMAINED IN STONE FORM BECAUSE THEIR MAGIC WAS NOW CONTAINED WITHIN THE GEM AND IT WAS TIED TO THE HUMANS' ABILITY TO TRUST AND REUNITE. SO, WHEN THE PEOPLE CAME BACK THE FIRST TIME, THE WATER DRAGONS DIDN'T BECAUSE THE PEOPLE

DIDN'T UNITE IN TRUST IN HONOUR OF SISU AND HER FAMILY'S SACRIFICE. BEING PEOPLE, THEY ONLY FOUGHT IN ANGER. WHEN I HEARD RAYA SAY THAT PEOPLE DON'T DESERVE THE DRAGONS, IT MADE ME REFLECT ON WHAT HICCUP TOLD TOOTHLESS. "OUR WORLD DOESN'T DESERVE YOU.....YET" BUT THE YET PART WAS THE SMALL DIFFERENCE BETWEEN HIM AND RAYA. RAYA GAVE UP ON HER FATHER'S DREAM AND WAS ONLY FOCUSING ON THE ONLY THING IMPORTANT TO HER, WHICH WAS BRINGING HIM BACK. EVEN THOUGH AFTER EXPERIENCING HUMAN LIES FROM THE TALON CHIEFESS, SISU WAS STILL WANTING TO SHOW HER RAYA THAT SHE WAS WRONG. THAT PEOPLE CAN STILL TRUST. STILL, ALONG THEIR JOURNEY, ASIDE FROM HAVING MADE NEW ALLIES; BOUN; A SHRIMP CHEF FROM TAIL, NOI; A CON-BABY AND HER 3 ONGIS FROM TALON AND TONG; A SPINE WARRIOR, AND ALONG WITH SUCCESSFULLY TAKING BACK 3 OF THE 4 REMAINING GEM SHARDS, RAYA WAS STILL WANTING TO FIGHT FOR THE LAST ONE. BUT AFTER FEELING THAT NAMAARI WANTED TO FIX THE WORLD AS MUCH AS THEIR TEAM DOES, SISU STILL WANTED RAYA TO USE HER TRUST GIFT PLAN, WHICH PROVED HOW PURE SISU'S HEART IS. AN HONOURABLE CREATURE I SAW IN HER. BUT RAYA WAS STILL AFRAID AND BLINDED BY BETRAYAL. SO, SISU CARRIED RAYA BACK TO HEART AND SHOWED HER THE STONE STATUES OF HER SIBLING FAMILY. DOING SO, SHE TOLD HER THAT HER FAMILY WERE THE ONES WHO CREATED THE GEM AND THAT SHE HAD THE MORE IMPORTANT JOB; USING THE JOB TO BLAST THE DRUUN AWAY. SHE DIDN'T KNOW WHY THEY CHOSE HER BUT WHAT I KNEW WAS THAT SHE IS THE MOST PURE HEARTED OF ALL THEIR SPECIES. WHAT SISU KNEW WAS THAT SHE TRUSTED HER FAMILY AND THEY TRUSTED THEIR SISTER. WHEN THEY PUT THEIR TRUSTED HOPE IN HER, THAT HOPE AND TRUST EMPOWERED SISU'S HEART LIKE NOTHING SHE COULD HAVE IMAGINED. THE SAME COULD HAVE HAPPENED WITH RAYA AND NAMAARI. SO, IT MAY FELT IMPOSSIBLE FOR RAYA AFTER ALL THE BETRAYAL AND OTHER TERRIBLE STUFF THAT HAD HAPPENED, BUT SISU WISELY TOLD RAYA SOMETHING THAT BENJA TOLD HER WHEN SHE WAS A GIRL 6 YEARS AGO; THAT SHE JUST HAD TO TAKE THE FIRST STEP, EVEN BEFORE SHE WAS READY. RAYA FINALLY DECIDED TO GO WITH SISU'S PLAN. USING THE SISU DRAGON PENDANT AS A GIFT OF TRUST FOR NAMAARI TO CONVINCE HER TO HELP THEM WITH REASSEMBLE THE GEM AND FIX THE WORLD. BUT THE PLAN BACKFIRED WHEN NAMAARI DREW A CROSSBOW AND NEEDED TO SISU AND THE GEM SHARDS TO PROTECT HER MOTHER AND PEOPLE. BUT I BELIEVE THAT HER MOTHER CHIEF VIRANA NEED HER DAUGHTER TO BETRAY HER FRIENDSHIP WITH RAYA ONLY TO GET THE GEM TO PROTECT HER PEOPLE. VIRANA WAS JUST SO SCARED NO MATTER HOW RESPONSIBLE SHE WAS BEING AS A MOTHER AND A CHIEFTAIN. SISU TRIED TO TELL NAMAARI THAT SHE KNEW THAT NAMAARI WANTED TO HURT ANYONE. THAT SISU KNEW THAT LIKE RAYA, HER FATHER AND ALL OTHER PEOPLE, NAMAARI JUST WANTED A BETTER WORLD. SHE TRUSTED HER. BUT SEEING THAT NAMAARI WAS GONNA PULL THE CROSSOVER TRIGGER, RAYA ATTACKED HER SWORD AT NAMAARI AND THE JOLT FIRED THE ARROW WHICH SHOT AT SISU, WHO THEN PLUNGED INTO THE RIVER. THE WHOLE GANG WAS HEART-BROKEN AT THAT SIGHT, BUT RAYA WAS THE MOST BROKEN HEARTED. NOT ONLY DID SHE LOSE HER FATHER BUT ALSO HER DRAGON FRIEND TOO. THE ONLY CHANCE OF BRINGING HIM BACK INSTEAD OF THE WHOLE KINGDOM. AND WORSE, SHE FELT IT WAS BECAUSE OF NAMAARI. RAYA FELT SO MUCH RAGE, SHE WANTED VENGEANCE. THE REST OF THE GANG SAW THE WATER OF THE WHOLE ENTIRE KUMANDRAN DRAGON RIVER DRAIN AWAY. THE DRUUN COULD GO ANYWHERE WITHOUT THE FEAR OF BEING REPELLED BY WATER. THE TEAM FOLLOWED RAYA TO THE

KUMANDRAN FANG CITY, WHO BATTLED NAMAARI FURIOUSLY WHILE THE TEAM USED THE WEAKENING DRAGON GEM SHARDS TO FIGHT OFF THE DRUUN AND SAVE A LOT OF THE PEOPLE OF FANG. BEFORE THAT BATTLE, NAMAARI'S MOTHER VIRANA HAD BEEN TURNED TO STONE TOO. NAMAARI FELT THE SAME WAY RAYA FELT WHEN SHE LOST HER FATHER. SO, THE KUMANDRAN PRINCESSES FOUGHT STRONGER THAN THEY COULD EVER HAVE FOUGHT BEFORE, BUT NAMAARI'S MASTER FIGHTING SKILL WAS NO MATCH FOR RAYA'S VENGEFUL ANGER. USING HER HEARTBROKEN FURY, SHE OUTMATCHED HER COMPLETELY FOR SISU, FOR HER FATHER AND FOR THE BEAUTIFUL, UNIFIED WORLD THAT HAD BECOME LOST FOR THEM. NAMAARI, GRASPING THE SISU DRAGON PENDANT, TOLD RAYA THAT SHE TRULY NEVER WANTED THAT HORRIBLE MADNESS TO HAPPEN. ROARING AT IN ANGER, RAYA THOUGHT SHE WAS LYING AND RAISED HER SWORD BEING PREPARED TO KILL HER. BUT NAMAARI TOLD HER THAT IT WASN'T ALL HER FAULT FOR BREAKING THE WORLD. SHE SAID THAT RAYA DIDN'T TRUST SISU. THAT WAS THE TRUE REASON WHY THE WORLD WAS BROKEN. IF RAYA HAD JUST STOPPED BEING AFRAID OF TRUSTING AGAIN AND STOP BEING BLINDED BY BETRAYAL. BUT MORE IMPORTANT, IF ONLY SHE HAD TRUSTED SISU. NAMAARI WAITED IF RAYA WAS GONNA MAKE HER MOVE DEATH BLOW AFTER TELLING HER THAT RAYA WAS AS MUCH TO BLAME FOR SISU'S DEATH AS SHE WAS. BUT RAYA'S MIND WAS CLOUD WITH WHAT NAMAARI SAID. SHE REFLECTED HER WORDS ON WHAT SISU AND HER FATHER TOLD HER. SHE LOOKED AT HER OWN EYES ON HER REFLECTION ON THE BLADE OF HER SWORD. SHE WAS HEARTBROKEN AGAIN BY THE HATRED OF WHAT SHE SAW IN HER EYES. A VENGEFUL MONSTER. THAT WASN'T THE PERSON SHE WANTED TO BE. IT WASN'T EVEN WHAT SISU WOULD HAVE WANTED. OR WHAT HER FATHER HAD WANTED. INSTEAD OF TAKING HER REVENGE, RAYA SUDDENLY UNDERSTOOD. DECIDING INSTEAD OF DESTROYING THE WORLD, SHE COULD HELP SAVE IT. SHE JOINED WITH BOUN, TONG, NOI, THE ONGIS AND TUK TUK TO FIGHT OFF THE DRUUN OFF AND EVACUATE THE REMAINING CITIZENS OF FANG, EVEN THOUGH THE MAGIC FROM THE DRAGON GEM SHARDS WERE STILL FADING QUICKLY. JUST AS TWO DRUUN WERE ABOUT TO TOUCH TUK TUK, NAMAARI LEAPED INFRONT OF HIM AND PUSHED THEM BACK WITH FANG'S GEM SHARD. TUK TUK RUSHED AWAY WITH THE REMAINING FANG PEOPLE JUST AS THE PRINCESSES FACED EACH OTHER. RAYA COULDN'T BELIEVE IT. NAMAARI SAVED HER MOST LOYAL FRIEND. BUT JUST AS THE OTHERS WERE FURIOUS AT THE SIGHT OF NAMAARI, THE GROUND BROKE UP ABOVE THEM AND THEY SLID DOWN INTO THE RUMBLE. THE TEAM WAS THEN SURROUNDED BY AN OCEAN OF DRUUN. AN EVIL MONSTROSITY PLAGUE OF DARKNESS THE WHOLE TEAM WERE STRUGGLING STRONGLY TO KEEP OFF THEIR SPACE, BUT THE MAGIC OF THE GEM SHARDS WERE ALMOST GONE. THE DRUUN SURROUNDED THEM, RAGED AROUND THE TEAM LIKE A VIOLENT BLACK AND PURPLE STORM. THE MONSTERS WERE EVERYONE, MULTIPLIED LIKE AN EVIL ARMY OF ANGER DEMONS. SUDDENLY, RAYA FOUND THE SISU PENDANT WHICH FALLEN OFF NAMAARI. SHE PICKED IT UP AND THANKS TO IT, IT MADE RAYA REFLECT TO SISU'S MEMORY WITH HER SIBLING FAMILY. HER WORDS CAME BACK TO RAYA. IT GAVE HER THE ANSWER SHE NEEDED. THE ANSWER TO FIXING THE WORLD. THE ANSWER WHICH HAD BEEN THERE ALL ALONG. BUT WHY HAD IT TAKEN RAYA SO LONG TO SEE IT? BECAUSE OF HER FEAR OF IT. HER FEAR BECAUSE OF BETRAYAL. SHE FINALLY CAME TO REALIZATION WITH HOPE WITH NOW WANTING TO FULFIL SISU AND BENJA'S DESIRE. RAYA TOLD THE TEAM, INCLUDING NAMAARI THAT SISU'S MAGIC WAS NEVER WHAT FIXING THE WORLD WAS ABOUT. IT WAS ONLY ABOUT TRUST. NAMAARI WAS CONFUSED WHEN RAYA

SAID TRUST. BUT RAYA CONTINUED ON SAYING THAT TRUST WAS WHY SISU AND HER FAMILY SAVED THE WORLD 5 CENTURIES AGO AND WHY SHE AND HER TEAM CAN REPLICATE THAT MOMENT TOO. WHY THEY CAN SAVE THE WORLD TOO. BY DOING THE ONE EXACT THING SISU AND CHIEF BENJA WANTED THEM TO DO. TO TRUST EACH OTHER AND THAT TRUST WOULD DESTROY THE DRUUN AND BRING EVERYONE BACK. BUT THE GANG DIDN'T FORGET OF WHAT NAMAARI DID. KILLING SISU. THEY WOULD NEVER TRUST HER. NAMAARI DIDN'T FORGET. NEITHER DID RAYA. SHE COULDN'T BLAME THEM. ONLY MOMENTS BEFORE, SHE FELT THE EXACT SAME WAY. SHE DECIDED TO DO SOMETHING BOTH SISU AND BENJA TOLD HER. TO TAKE THE FIRST STEP. SHE PLACED HER GEM SHARD ON NAMAARI'S HAND AND FINALLY GAVE HER TRUST TO HER. A DRUUN THEN TURNED HER TO STONE. NAMAARI AND THE GANG WERE SHOCKED BY THE SIGHT OF THAT. THEY DIDN'T KNOW WHAT TO DO. BUT THEN, BOUN DECIDED THAT RAYA WAS RIGHT. HE GAVE NAMAARI HIS GEM SHARD, GAVE HER A LAST HEAD BOW GLANCE AND JOINED IN WITH RAYA AS A DRUUN TURNED HIM TO STONE TOO. NOI AND TONG GAVE NAMAARI THEIR GEM SHARDS TOO AND JOINED IN WITH RAYA AND BOUN, ALONG WITH THE ONGIS. THE DRUUN TURNED THEM TO STONE TOO AND NAMAARI WAS ON HER OWN WITH ALL 5 DRAGON GEM SHARDS. SHE THEN SAW A CRUMPLED EXIT. SHE TRIED MAKE HER ESCAPE WITH WHAT SHE WANTED. ALL 5 PIECES OF THE DRAGON GEM – THE LAST DRAGON MAGIC IN THE WORLD WHICH WERE RIGHT IN HER HANDS. SHE WAS JUST HALFWAY TO GETTING OUT, BUT SHE GLANCED BACK AT THE GANG, EVEN RAYA'S STONE FACE. NAMAARI FINALLY SAW SOMETHING SHE DIDN'T NOTICE BEFORE. RAYA REMINDED HER OF SISU. THE FIRST TIME NAMAARI SAW SISU, WHEN SHE SAVED HER FROM NAMAARI IN THE SPINE MOUNTAINS, THE WATER DRAGON GAVE NAMAARI A LOOK FULL OF COMPASSION, TRUST AND HOPE. SHE DECIDED TO DO WHAT RAYA AND SISU HAD WANTED INSTEAD OF WHAT HER WORRYING MOTHER; VIRANA HAD WANTED. SHE WENT BACK AND PUZZLED THE GEM SHARDS BACK TOGETHER. THE PIECES WERE IN PLACE AND THE DRAGON GEM WAS WHOLE AGAIN. NAMAARI JOINED IN NEXT TO RAYA AND IN RETURN TO HER, SHE GAVE HER TRUST TO HER JUST AS A DRUUN TURNED HER TO STONE TOO. AFTER A LONG MOMENT OF SILENCE, BLUE AND WHITE LIGHT MAGIC EXPLODED FROM THE DRAGON GEM SPREADING TO EVERY INCH OF THE ENTIRE KINGDOM. EVEN THE FEW PEOPLE LEFT THANKFULLY STILL ALIVE WHO WERE NOT TURNED TO STONE WERE ABLE TO SEE IT. WHEN THE MAGIC BLAST OF TRUST TOUCHED THE DRUUN, THEY WERE BLOWN OUT OF EXISTENCE AND THE MONSTERS OF DARKNESS CREATED FROM DISCORD WERE FINALLY DESTROYED. JUST LIKE FROM 5 CENTURIES AGO. ONLY THIS TIME, THIS BLAST FROM THE DRAGON GEM WAS EVEN STRONGER AND BIGGER THAN BEFORE. THE BLAST EVEN REACHED TO THE WATER DRAGON GRAVEYARD. THE MAGIC SHIFTED TO THE SKY FORMED A COLOSSAL OVERCAST. LIKE A DRAGON AWAKENING, THUNDER RUMBLED ACROSS THE SKY AND RAIN FELL OVER THE ENTIRE OF KUMANDRA. THE WATER IN THE EMPTY DRAGON RIVER AND ALL RIVERBED THROUGH ALL THE KINGDOM WERE FILLED AGAIN. RAIN FELL ON THE STONE STATUES OF THE DRUUN'S VICTIMS. STONE MELTED AND ALL THE PEOPLE CAME BACK TO LIFE. EVEN RAYA AND NAMAARI. THE TWO PRINCESS WERE SO HAPPY AND FULL OF JOY TO SEE EACH OTHER. THEIR ANGRY SELF-WAR WAS OVER. THEY BECAME ALLIES NOW. BOUN, TONG, NOI AND THE ONGIS CAME BACK TOO. KUMANDRA FLOURISHED WITH WATER AND LIFE AGAIN. RAYA EVEN REUNITED WITH TUK TUK. JUST THEN, THE MOST ENTHRALLING THING HAPPENED, THE KUMANDRAN WATER DRAGONS RETURNED. UNLIKE LAST TIME, ONLY WHEN RAYA, NAMAARI

AND THEIR COMPANIONS ACHIEVED A GREATER LEVEL OF UNITY AND TRUST, MIRRORING THE DRAGONS' ORIGINAL SACRIFICE. EVEN THAT OF SISU AND HER FAMILY. THE COLOURFULLY MAJESTIC CREATURES SOARED OVERHEAD MAGICALLY RUNNING ON RAINDROP PLATFORMS. RAYA, NAMAARI, TONG, BOUN, NOI AND THE ONGIS FOR THE FIRST TIME EVER SAW SISU'S KIND AND WITH HER SIBLING FAMILY; THE DATUS; PENGU, JAGAIN, PRANEE AND AMBA LEADING THEM. THE WHOLE WATER DRAGON RACE EVEN BROUGHT BACK SISU. SHE JOINED IN WITH HER KIND AND REUNITED WITH HER BROTHERS AND SISTERS. SHE RAN INFRONT WITH THEM AND REUNITED JOYFULLY WITH RAYA WHO WAS OVERJOYED AND HAPPY TO SEE HER BACK FROM THE DEAD. THE TWO FRIENDS EMBRACED IN A DEVOTED REUNION HUG. WHEN I SAW THEM HUG, THAT WAS THE BEST ONE OF BONDED DRAGON AND HUMAN SINCE HICCUP AND TOOTHLESS I HAVE EVER SEEN. IT WAS OFFICIAL. RAYA AND SISU WERE TOTALLY HICCUP AND TOOTHLESS' FEMALE DISNEY COMPARISONS. THE GANG THEN WENT THEIR SEPARATE WAYS BACK TO THEIR HOME CLANS AND REUNITED WITH THEIR FAMILY LOVED ONES. BUT RAYA'S REUNION WITH HER CHIEF BENJA BACK AT HEART WAS THE MOST EMOTIONALLY DEVOTED REUNION OF ALL. THE TEARFUL HAPPINESS I SAW RAYA WITH WHEN SHE REUNITED WITH HER FATHER GAVE ME THE DETERMINED CHOICE TO GIVE HICCUP AND BRANCH. TO BRING THEIR FATHER; STOICK THE VAST AND GRANDMOTHER; ROISEPUFF BACK FROM THE DEAD. TO GIVE HICCUP AND BRANCH THAT VERY HAPPINESS RAYA FELT. TO HAVE THEIR LOST FAMILY MEMBERS BACK. JUST THEN, BENJA SAW AND MET SISU, WHO CAME TO HEART WITH RAYA. SISU TOLD BENJA THAT HIS DAUGHTER DID HIM PROUD. BUT I THINK MORE IMPORTANTLY, SHE DID THEM BOTH PROUD. ALL OF KUMANDRA PROUD. SISU THEN SAID THAT SHE AND RAYA BROUGHT SOME FRIENDS WITH THEM. THE THREE OF THEM SAW HUNDREDS OF PEOPLE FROM THE FOUR CLANS CAME TO THE BRIDGE AND BOWED TO RAYA, BENJA AND SISU. INCLUDING BOUN WITH HIS FAMILY, NOI WITH HER MOTHER AND THE ONGIS, TONG WITH HIS WIFE AND BABY AND NAMAARI WITH HER MOTHER; CHIEF VIRANA. RAYA SMILED AT HER FATHER AND SAID SOMETHING THAT MADE HIM MORE SURPRISED AND PROUD THAN EVER. "WELCOME TO KUMANDRA." BENJA WAS SO HAPPY THAT HIS DAUGHTER DID WHAT HE AND SISU TOLD HER. TO TAKE THE FIRST STEP AND TRUST OTHERS TO BRING BACK THE PEACEFUL, UNIFIED WORLD AGAIN. RAYA AND BENJA WALKED WITH THE PEOPLE WALKED INTO KUMANDRAN HEART AND SISU LEAPED INTO THE SKY AND JOINED WITH HER KIND AND HER FAMILY AS THEY RAN THROUGH THE SKY. KUMANDRA HAD RETURNED. RAYA AND SISU' STORY CHANGED THE WORLD FOREVER. JUST LIKE HICCUP AND TOOTHLESS'. SO, THIS KINGDOM; KUMANDRA WAS ABSOLUTELY A 100% PERFECT CHOICE TO BEGIN THE UNION OF MY CROSSOVER EMPIRE. IN FACT, IT WAS BECAUSE OF RAYA AND SISU'S STORY, KUMANDRA BECAME THE START OF THE EXPANSION ORIGIN OF THE EMPIRE. THE MAGIC OF UNITY FORGED THE RESISTANCE'S WORLDS AND KINGDOMS TOGETHER AND MADE THE BIODIVERSE KINGDOMS THE EMPIRE IT IS NOW. IF WALT DISNEY'S COMPANY WOULDN'T HAVE CREATED RAYA, SISU AND KUMANDRA THE EMPIRE WOULDN'T EXIST AND THE BIODIVERSITY RESISTANCE WOULD NEVER BE STRONGER WITH UNITY ASIDE FROM DEVOTION. IN FACT, I WOULD NEVER HAVE DECIDED TO JOIN ALL I LOVE IN THE WALT DISNEY COMPANY WITH THE CHARACTERS IN DREAMWORKS ANIMATION I ENDORSE ENTIRELY SO, MY RESISTANCE AND I OWE RAYA AND SISU ALL OUR GRATITUDE. SO, RAYA AND THE LAST DRAGON IS MY #1 FAVOURITE DISNEY ANIMATED MOVIE NOW AND KUMANDRA AND ITS MAGIC OF UNITY AND TRUST IS THE KEY TO KEEPING THE RESISTANCE' EMPIRE AS ONE.

18. TA LO:

JUST CHOOSING ONLY ATLANTIS FROM THE DC COMICS EXTENDED UNIVERSE, I CHOSE THIS REALM FROM THE MARVEL COMICS CINEMATIC UNIVERSE BECAUSE OF ITS MAGNIFICENCE OF IT BEING A DIMENSION IN MARVEL'S MULTIVERSE FILLED WITH ANCIENT MAGIC AND AN ABUNDANCE OF MYTHICAL AND MAGICAL CREATURES. ONLY WITH AN ANCIENT VILLAGE OF PEOPLE WHO PROTECTED THEIR HOME REALM, ITS LIFE AND ENTRANCE. THE ENTRANCE INTO TA LO IS PROTECTED BY A CONSTANTLY MOVING BAMBOO MAZE FOREST WHICH OPENS A SAFE DIRECT PATH THROUGH ONCE EVERY YEAR AT THE START OF THE QINGMING FESTIVAL ON APRIL 4TH. THE PEOPLE HAVE BEEN IN TA LO FOR OVER 40 CENTURIES. THEY EVEN HAVE CITIES THAT SURPASS ANY IN THE REAL EARTH, RICH WITH CULTURE AND HISTORY. LONG AGO, ALL PEOPLE OF TA LO LIVED TOGETHER IN PEACE AND PROSPERITY, UNTIL THEY WERE ATTACKED BY THE DWELLER-IN-DARKNESS AND HIS ARMY OF SOUL EATERS. HE LED THEM DEVOURING EVERY SOUL OF ALL LIVING BEINGS; HUMANS AND CREATURES ALIKE, IN THEIR PATH AND WITH EACH KILL, THEY GREW MORE STRONGER, ESPECIALLY WHEN THE SOUL EATERS BROUGHT STOLEN SOULS TO FEED THEIR LEADER, MAKING HIM STRONGER. THE WAR AGAINST THE DWELLER AND THE SOUL EATERS LASTED SO LONG UNTIL ALL VILLAGES AND CITIES IN TA LO WERE DESTROYED AND THE ENTIRE POPULATION WERE STRIPPED OF THEIR SOULS, WITH THE EXCEPTION OF ONE VILLAGE. AFTER DOING SO, THE DWELLER AND HIS ARMY WERE HEADING TO THE REAL EARTH TO THE SAME THING UNTIL THEY WAS NOTHING LEFT. THE TA LO LEADERS SENT THEIR STRONGEST WARRIORS TO THE LAST REMAINING VILLAGE TO STOP THEM FROM REACHING THE PORTAL ENTRANCE. THE PEOPLE FOUGHT VALIANTLY BUT THEY WERE NO MATCH, UNTIL, THANKFULLY, THE GREAT PROTECTOR; TA LO'S MYSTICAL DRAGON AND PROTECTOR JOINED THEIR FIGHT AND MANAGED TO LOCK THE DWELLER-IN-DARKNESS AND HIS ARMY BEHIND THE DARK GATE; A DRAGON SCALE GATE THAT SERVED AT THEIR PRISON. THE PEOPLE OF TA LO HAVE GUARDED THAT GATE EVER SINCE, EMPOWERED BY THE MAGIC OF THE GREAT PROTECTOR AND THE GIFT SHE GAVE TO THE PEOPLE. DRAGON SCALES. THE PEOPLE OF TA LO MADE WEAPONS AND ARMOUR STRONGER BY FORGING THE MATERIAL INTO THEM. THE DRAGON SCALES ENHANCED THEIR POWER AND FUSED THEM WITH THE ABILITY TO KILL THE SOUL EATERS. UNLIKE THE TEN RINGS; WHO FOUGHT VIOLENTLY WITH MURDEROUS DESIRES, THE PEOPLE OF TA LO FIGHT AS EQUALS. THAT MAKES THEM MY RESISTANCE ARMY FAMILY'S TYPE. SO,

WITH THEIR HELP OF YING LI'S CHILDREN; XU SHANG-CHI AND XU HIALING, ALONGSIDE YING LI'S SISTER YING NAN AND SHANG-CHI'S OLD FRIEND KATY CHEN, THEY HELPED THE PEOPLE OF TA LO FIGHT THE SOUL EATERS WHILE SHANG-CHI FOUGHT WENWU AND THEN WITH THE GREAT PROTECTOR'S HELP, SHE TRAPPED THE DWELLER WITH MAGICAL STREAMS OF WATER FROM THE LAKE AND SHANG-CHI USED THE TEN RINGS HIS DAD GAVE TO HIM RIGHT BEFORE THE DWELLER TOOK HIS SOUL. PLUS; THE DWELLER-IN-DARKNESS WAS THE GREAT PROTECTOR'S ARCH ENEMY. AS HIALING USED A ROPE TO LASSO THE DWELLER'S HEAD HORN AND THE GREAT PROTECTOR PULLED THE ROPE BACK TO PULL THE DWELLER'S HEAD BACK, SHANG-CHI PUNCHED THE TEN RINGS INTO THE DWELLER AND WEAKEN HIM STRONGLY. FINALLY, WITH THE MOST AMAZING EXPLOSION, THE DWELLER-IN-DARKNESS WAS THEN DESTROYED ALONGSIDE HIS SOUL EATER ARMY FOREVER. TA LO WAS FINALLY FREE OF THE DANGEROUS THREAT AND IT WAS ALL THANKS TO SHANG-CHI WHO HAS THE HEART OF THEIR DRAGON. THE HEART OF THE GREAT PROTECTOR. HIS MOTHER TOLD HIM THAT WHEN HE WAS A BOY, KNOWING SHANG-CHI IS A SPECIAL MAN. SO, UNLIKE ALL OTHER WORLDS FILLED WITH SUPERHUMAN HEROES AND VILLAINS IN ALL OF MARVEL COMICS, SHANG-CHI'S STORY WAS THE ONLY MOST ATTRACTIVELY AND MYTHICALLY INSPIRING. ALSO, AFTER WHAT THE OBSESSIVE WENWU AND HIS MURDEROUS ARMY; THE TEN RINGS HAD DONE TO THE VILLAGE ALL BECAUSE WENWU THOUGHT THE PEOPLE OF TA LO WERE KEEPING HIS WIFE; YING LI IMPRISONED BUT ACTUALLY, THE SOUL EATERS BEHIND THE GATE WERE GUARDING WAS TALKING TO WENWU IN HIS WIFE'S VOICE, THIS REALM WAS PERFECTLY WORTH PROTECTING. PRESERVING THE PEOPLE, THE CREATURES AND ITS CULTURIZED HISTORY. PLUS, MAINLY, I CHOSE THIS REALM BECAUSE I SAW A FEW OF SIMILARITIES BETWEEN TA LO AND KUMANDRA. *A:* THE DWELLER AND THE SOUL EATERS ARE EXTREMELY SIMILAR TO THE DRUUN. *B:* THE GREAT PROTECTOR, BEING A CARING AND PROTECTIVE CREATURE, IS A LITTLE LIKE SISU. AND *C:* THE FAMOUS COMEDIAN ACTRESS NAMED AWKWAFINA IS IN BOTH STORIES; AS KATY CHEN AND SISUDATU, WHICH CAME OUT ON THE SAME YEAR. SO, THE PEOPLE OF TA LO; INCLUDING YING NAN, SHANG-CHI, HIALING, KATY CHEN AND THEIR ACTOR FRIEND TREVOR SLATTERY AND MORRIS; HIS BONDED DIJIANG FRIEND FROM TA LO, AND THE BIODIVERSITY RESISTANCE WOULD BE PERFECT TO FORM AN ALLIANCE UNION TO WORK TOGETHER TO PROTECT TA LO AND ALL OTHER THINGS MYTHICAL WE ALL LOVE, EVEN CREATURE BEINGS FROM MYTH STORIES.

19. KRAKEN KINGDOM:

THE CREATURES OF THIS KINGDOM HAVE BEEN TAUGHT WRONG TO HUMANS. PEOPLE ALWAYS THOUGHT THE MYTHICAL, MIGHTY GIANT KRAKEN WAS THOUGHT TO BE NOTHING MORE THAN A GIANT BLOODTHIRSTY MONSTER, SINKER AND DROWNER OF SHIPS AND THEIR SAILORS. WELL, THAT'S ALL WRONG. THERE'S MORE TO THESE CREATURES THAN MEETS THE EYE. THE KRAKENS IN THIS KINGDOM ARE PURE, NOBLE PROTECTORS OF THE OCEAN WORLD. FAR BELOW THE OCEAN OF THE TOWN OF OCEANSIDE, THEIR KINGDOM THRIVES DEDICATED TO PROTECTING ALL OCEAN LIFE AND ITS CREATURES FROM MANY THREATENING MONSTERS, LIKE THE MOST POWER-HUNGER AND DANGEROUS OF THEM ALL; THE MERMAIDS. PEOPLE THOUGHT THEY WERE SWEET, KIND, LOVING, KID FRIENDLY BEINGS BUT WERE LIVING LIES. MERMAIDS, TO THE KRAKENS, ARE SELFISH, CRUEL AND VAIN NARCISSISTS WITH LONG MEDIOCRE HAIR AND THEIR QUEEN; NERISSA WAS THE WORST MERMAID OF THEM ALL. SHE WANTED TOTAL CONTROL OF THE OCEAN AND FORCE ALL ITS CREATURES TO SERVE HER. NORMALLY, MERMAIDS WOULD NEVER BE A MATCH FOR GIANT KRAKENS, BUT NERISSA FOUND AN ANCIENT WEAPON WHICH WAS THE ONLY WEAPON THAT WAS POWERFUL TO DEFEAT A GIANT KRAKEN. THE TRIDENT OF OCEANUS [A TITAN GOD ASSOCIATED WITH THE GREAT, EARTH-ENCIRCLING RIVER OF FRESH WATER]. KRAKENS AND MERMAIDS FOUGHT, BUT WITH NERISSA WIELDING THE TRIDENT, KRAKENS PAID A TERRIBLE PRICE. BUT THANKFULLY, ALL THE KRAKEN KINGDOM WOULD HAVE BEEN GONE FOREVER IF IT WEREN'T FOR THE KRAKEN QUEEN'S DAUGHTER; AGATHA; THEIR GREATEST WARRIOR. SHE ENGAGED IN A GREAT BATTLE WITH NERISSA AND STOLE THE TRIDENT. THE QUEEN CALLED THAT AGATHA'S "QUEEN-MAKING MOMENT." NERISSA FLED AWAY IN DISGRACE OF HER FAILURE. THE

KINGDOM FINALLY HAD THE GLORIOUS CHANCE TO FINALLY CRUSH THE MERMAIDS AND TO END THE WAR FOREVER. BUT AGATHA, THINKING THAT THE TRIDENT COULD NEVER BE DESTROYED, DID THE ABSOLUTELY UNBELIEVABLE. SHE HID THE TRIDENT AWAY, THEN LEFT HER MOTHER, HER KINGDOM AND HER KIND TO LIVE A NEW AND [HER THINKING] MORE BETTER LIFE AS A NORMAL HUMAN BEING. SHE STARTED HER OWN FAMILY, INCLUDING A TEENAGE DAUGHTER NAMED RUBY. After discovering her Kraken abilities, her Uncle Brill led her to the Kraken Kingdom and she met her Grandmamah. Warrior Queen of the Kraken Kingdom; The Ultimate Lordess and the Ruler of the Seven Seas. Ruby even found out she's the Kraken Princess and her Grandmamah's successor. The Queen told Ruby the truth of who she is and what's she's capable of. She even trained Ruby with all combat and weapons she knew. She even used her training to fight Nerissa when she got the Trident of Oceanus. Ruby worked with his mother and Grandmamah to use the exponential growth formula by blasting the Trident with their eye laser power, hitting it with more power at more time until the Trident exploded and shrank Nerissa, leading to her defeat. Oceanside and the ocean world were saved, thanks to the three Kraken ladies. Like the Queen said; "A Kraken will always answer the call." So, I chose this kingdom to join the Biodiverse Empire after learning that the Krakens are benevolent protective creatures dedicated to protecting all ocean life from many threatening monsters. After seeing what they can do, their powerful combat and oceanic knowledge combined with my Resistance's knowledge and protectiveness will make the whole world, both land and sea, more safer and better than it has been before. Just like for DC's Atlantis.

CHAPTER 4: ALLIES OF THE RESISTANCE

AFTER ALL LEARNING ALL THESE STORIES THE CHARACTERS HAVE BEEN THROUGH TOGETHER, YET APART, I FORMED THEM TOGETHER TO BECOME THE BIODIVERSITY RESISTANCE BECAUSE AFTER GAINING LOTS OF ALLIES FOR THE TEAM IN MY COMIC SERIES, I THOUGHT I SHOULD BE DOING AND SUPPORTING MORE IN OTHER MOVIE WORLDS I HAVE WATCHED AND LOVED. ESPECIALLY MORE THAN JUST DRAGONS. SO, I DID. I SPENT EVERY DAY ON EXPANDING MY INTERESTS FOR MORE THAN JUST THE DRAGON WORLD. I EXPANDED MY RESISTANCE ARMY FAMILY AND THEIR CROSSOVER EMPIRE TO HAVE MORE THAN DRAGONS. TO HAVE A LOT OF OTHER DIFFERENT CREATURES; INCLUDING TROLLS AND GODZILLA'S KINGDOM OF TITAN MONSTERS.

ALSO, ASIDE FROM THERE BEING KINGDOMS OF THE EMPIRE AND CHARACTERS MEMBERS OF THE RESISTANCE FROM THOSE WORLDS, THERE ARE ALSO CHARACTERS THAT CAN BE DEVOTED AND TRUSTWORTHY OF BEING PROTECTED BY THE RESISTANCE. CHARACTER ALLIES THAT ARE PROTECTED TO THOSE THEY LOVE AND TO THEIR HOMES. ALLIES WHO ARE SOME HUMAN BUT MOSTLY CREATURE BEINGS. ALLIES WITH RESPECTFUL UNDERSTANDING TO EACH OTHER, COMPASSION, REDEMPTION AND A LOT MORE EMOTIONAL TALENTS. ALLIES WITH DIFFERENT ABILITIES LIKE INTELLECT AND COMBAT EXPERIENCE FOR LEARNING AND BATTLE. ALLIES THAT CAN HELP MY RESISTANCE TO PRESERVING SIMILAR LESSONS IN LIFE WE'VE ALL LEARNED AND TEACH TO ONE OTHER. SO, THESE OTHER ALLIES WITH ALL THEIR AMAZING DIFFERENCES AND SIMILARITIES I'VE SEEN ARE ALL WORTHY OF HAVING THE BIODIVERSITY RESISTANCE'S PROTECTION AND FORM MANY REMARKABLE ALLIANCES TO PROTECTING THEIR EMPIRE AND THE HOMES OF OUR ALLIES. AND PERHAPS PROTECTING THE REAL WORLD.

FOR STARTERS, THERE IS THE FAMOUS MAN CALLED SIR DAVID ATTENBOROUGH; OUR PLANET'S TEACHER FOR NATURE PRESERVATION AND BIODIVERSITY RESTORATION AND RESTORATION. A MAN WORTHY OF THE RESISTANCE AND MINE COMPLETE SUPPORT FOR RESTORING LIFE ON EARTH FOR BOTH PLANET AND ANIMAL. AN OLD YET HONOURABLE NEARLY A CENTURY MAN OF REWILDING THE WORLD AND PRESERVING GOD'S ANIMAL LIFE. AFTER SEEING ALL THE MAGNIFICENCE OF HIS NATURISTIC FILM WORK IN FILMMAKING/CINEMATOGRAPHY, DOCUMENTARY FILMING, MUSIC/SCORE ORCHESTRATING AND WISDOM NARRATION DAVID HAS GIVEN THE WORLD IN ALL HIS EXTRAORDINARY LIFE, EVEN TO ME, I'VE SEEN THE WORTH DAVID HOLDS IN HIS HEART OF RESTORING LIFE BECAUSE OF WATCHING HIS WITNESS STATEMENT AND VISION OF THE FUTURE. SO, WITH THIS AMAZING MAN'S EDUCATIONAL NATURE FILMS AND TV SERIES TO GUIDE US, THE RESISTANCE WILL MAKE THEIR CROSSOVER EMPIRE AND THE REAL-WORLD HOME FOR HUMANITY AND CREATURES, NOT MAKE EARTH HOME FOR ONLY HUMANITY. NEXT, THERE ARE 4 DREAMWORKS TEAMS.

ONE THAT WENT ON MANY MISSIONS TO FIGHT AND HONOURABLY PROTECT THOSE THEY KNOW. 4 CUTE BUT FAST COMBAT WARRIORS. 4 BLACK AND WHITE ADORABLE SOLIDER BROTHERS. PENGUINS; SKIPPER, KOWALSKI, RICO AND PRIVATE. MY FAVOURITE DREAMWORKS SOLDIERS. EVEN THOUGH THERE HAS BEEN A LOT OF COMEDY AND SEMI-IDIOTIC MOMENTS THAT HAPPENED IN THEIR LIVES TOGETHER, THESE 4 ADORABLY INCREDIBLE FLIGHTLESS SOLDIERS HAVE STILL FILLED MY LIFE WITH FUNNY MISSION ADVENTURES THAT HAVE MADE ME REALISE THAT THIS TEAM OF PENGUINS ARE WORTHY ARE THE RESISTANCE'S PROPOSAL FOR A PARTNERSHIP WITH THEM. FOR THE PENGUINS TO HELP THE RESISTANCE TO HELPING THEM TO PROTECT INNOCENT LIVES THEY KNOW AND PERHAPS EVEN HELP THE PENGUINS PROTECT ALL THEIR KIND AS WELL.

ANOTHER IS A TEAM OF ANTHROPOMORPHIC ANIMALS AND FORMER CRIMINAL FRIENDS THAT WENT THROUGH A LOT OF YEARS OF CRIME BUT FOUND A CHANCE FOR GOODNESS AFTER ONE MEMBER FELT A FEELING OF SOMETHING HE AND HIS FRIENDS NEVER FELT AT ALL. PURE GOODNESS. THEY PROVED FOR MANY DAYS THAT THEY WERE WORTHY THE PEOPLE'S LOVE AND TRUST AFTER STOPPING THE ONE AND ONLY TRUE BIGGEST HEIST OF THE CENTURY. A CAT LADY WAS DESIRING TO USE A GIANT MAGNET IN SPACE TO STEAL ALL GOLD ON EARTH. SO, THE BAD GUYS; WOLF, SNAKE, SHARK, PIRANHA AND MS "WEBS" TARANTULA, ALONGSIDE THE CRIMSON PAW; GOVERNOR DIANE FOXINGTON, SUCCESSFULLY EARNED THE PEOPLE'S LOVE AND WERE GRATEFUL, BUT THEY THINK THEY DIED DOING SO FOR THEM. BUT ONLY THE POLICE CHIEF MISTY LUGGINS KNEW THEY SURVIVED AND FAKED THEIR DEATHS SO THEY WOULD THEN BE EMPLOYED AS SECRET AGENTS. THE POTENTIAL AND SKILL EXPERTISE THIS TEAM HAS IS PERFECT FOR HELPING THE BIODIVERSITY RESISTANCE WITH PROTECTING MANY LIVES ON EARTH AND IN THEIR CROSSOVER EMPIRE WITH THE TECHNICAL AND PHYSICAL EXPERIENCES OF THIS "NOT BAD" TEAM OF SPECIAL AGENTS.

ANOTHER TEAM IS A CREW OF FAST-MOVING RACING SNAILS LED BY A SNAIL OBSESSED WITH RACE CAR SPEED INSTEAD OF ALWAYS MOVING SLOW. HIS NAME IS TURBO. HE AND HIS FRIENDS; WHIPLASH, SKIDMARK, BURN, SMOOVE MOVE AND WHITE SHADOW, ALONGSIDE TURBO'S BIG BRO; CHET, ARE THE FAST ACTION STUNT [I SAY SPEED] TEAM. PROTECTORS OF THEIR SNAIL CITY; STARLIGHT CITY. SO, THIS TEAM OF SNAILS WITH RACE CAR SPEED, BEING ANOTHER FAVOURITE FROM DREAMWORKS IS A PERFECT TEAM FOR THE RESISTANCE TO TEAM UP WITH TO PROTECT LIVES WITH HIGH-SPEED POWERS AND THE RESISTANCE SHALL, IN REPAYMENT, WILL HELP THE F.A.S.T. PROTECT THEIR FELLOW SNAIL KIND FROM ANY THREAT AND ENEMY.

FINALLY, THIS IS A TEAM OF MONSTERS. BUT NOT LIKE ANY MONSTERS DREAMWORKS OR ANY ONE ELSE HAS CREATED. A TEAM OF MONSTER VEHICLE PROTECTORS. The MIGHTY MONSTERWHEELIES. BASED WITH FRANKENSTEIN AND DRACULA ABILITIES. BENEVOLENT HONOURABLE MONSTER VEHICLES DEDICATED TO PROTECTING THEIR TOWN OF MOTORVANIA. After SEEING ALL THE AMAZING ABILITIES IN THEIR ADVENTURES WITH PROTECTING THE VEHICLE LIVES OF MOTORVANIA, LED BY MAYOR , THIS TEAM OF JUSTICE PROTECTING MONSTER VEHICLES DESERVE AN OPPORTUNITY ON THE BIODIVERSITY RESISTANCE TO DO MORE FOR THEIR TOWN AND BEYOND.

IN LISTING OF MORE ALLIES OF THE RESISTANCE, THERE'S ONE OF THE MOST FAMOUS NOVEL ANIMALS IN HISTORY, A BLACK STALLION HORSE FULLY UNDERSTANDING WITH KINDNESS, UNDERSTANDING, RESPECT. A HORSE NAMED BLACK BEAUTY. HE AND HIS TWO FRIENDS; A LADY AND MALE WHITE PONY NAMED GINGER AND MERRYLEGS, WHOM BEAUTY MET AND BONDED WITH IN HIS 1ST AND TRUE HOME; BIRTWICK PARK; HOME OF SQUIRE GORDEN AND HIS FAMILY, ALONGSIDE BEAUTY'S MOTHER; A MARE NAMED DUCHESS AND BEAUTY, GINGER AND MERRYLEGS' OTHER FRIEND SIR OLIVER, ARE WORTHY CERTAINLY WORTHY OF THE RESISTANCE' SUPPORT AS I'VE LEARNED FROM 2020 THAT HORSES HAVE EMOTIONAL FEELINGS AS WELL AS PEOPLE, OR ANY OTHER LIVING BEING DO.

ANOTHER HORSE ALLY, ASIDE FROM BLACK BEAUTY, IS ANOTHER OF THE MOST FAMOUS FICTIONAL HORSE IN HISTORY. SHETAN; THE BLACK STALLION. A WILD UNCONTROLLABLE BLACK STALLION HORSE WHO BONDED WITH A BOY NAMED ALEC RAMSEY AFTER BEING SHIPWRECKED ON AN ISLAND. I FEEL THAT THEY SHARE A SIMILARITY TO HICCUP AND TOOTHLESS' STORY. SO THEIR STORY OF FRIENDSHIP AND LOVE TO EACH OTHER MAKES THIS AMAZING PAIR PERFECT AS ALLIES FOR THE RESISTANCE.

OTHER DEVOTED AND TRUSTWORTHY ALLIES I'VE CHOSEN THAT ARE WORTHY OF THE RESISTANCE'S SUPPORT AND PROTECTION ARE A FOUR-LEGGED COUPLE CALLED THE FAMOUS WOLF BALTO AND HIS MATE JENNA FROM NOME, ALASKA. THEIR BONDED LOVE AND FEELINGS FOR EACH OTHER I'VE SEEN FROM THEM HAS MADE THEM AND THEIR CHILDREN; THIS TALKING DOG/WOLF FAMILY WORTHY OF JOINING THE RESISTANCE AS DEVOTED ALLIES.

ASIDE FROM DOMINANT CREATURES, I'VE CHOSEN 2 SPECIES OF BIRDS TO BECOME ALLIES. The PHOENIX BECAUSE OF THEIR RESURRECTION ABILITY AFTER DEATH. SO, IT REPRESENTS THE SELFLESS GIFT OF IMMORTALITY, REBIRTH FROM ITS ASHES. ALSO, FOR ITS SYMBOLISM OF LOVE, LOYALTY, WISDOM AND BEAUTY, I IMMEDIATELY CHOSE SWANS AS THEY SYMBOLISE PROTECTION BECAUSE OF THEIR FIERCE BUT STRONGLY DEVOTED DEFENCE FOR THEIR CYGNETS AND BELOVED MATES. FINALLY, I SAW THAT THE TWO BIRDS BOTH REPRESENT TRANSFORMATION, WHICH FOR THE SWAN, THEY REPRESENT CHANGE AND SPIRITUAL EVOLUTION. AND FOR THE PHOENIX, ITS FIERY DEATH AND INCREDIBLE REBIRTH BOTH SYMBOLIZE TRANSFORMATION ON A PERSONAL LEVEL AND IN THE WIDER WORLD.

NEXT, I BECAUSE OF AN OLD FRIEND OF MINE WHO HAS A SPECIALITY THAT I HAVE, I'VE CHOSEN THE OCTONAUTS TO JOIN AS MORE PROTECTIVE DEFENDER ALLIES FOR THE RESISTANCE BECAUSE OF THEIR JOB TO PROTECT ALL CREATURES ON BOTH LAND AND SEA IN THE WORLD WHEREVER THEY ARE. ALSO, JUST LIKE THE KINGDOMS OF ATLANTIS IN DC, THE OCEAN WORLD PROTECTED BY THE OCTONAUTS IS CAPABLE OF TEACHING AIR BREATHERS OCEANIC KNOWLEDGE ABOUT ITS CREATURES AND PLANTS. So, the BIODIVERSITY RESISTANCE AND THE OCTONAUTS WILL FOREVER BE READY TO WORK TOGETHER TO EXPLORE, RESCUE AND PROTECT BOTH LAND AND SEA. The ONE WORLD.

AS AN EXTRA, I DECIDED TO ADD IN THE GANG FAMILY OF "DOM" DOMINIC TORETTO TO BE RESISTANCE ALLIES BECAUSE OF THEIR STRONG THEMES OF LOYALTY, TRUST AND MUTUAL SUPPORT, WHICH PROVIDES A SENSE OF BELONGING AND STRENGTH FOR ITS MEMBERS. THIS DRIVING FORCE OF FORMER CRIMINAL NOW LOOKING LIKE SECRET AGENTS MAKES THESE PEOPLE FURIOUS.

ALSO, IN HUGE REPRESENTATION OF HUMAN EVOLUTION AND PRIMATE INTELLECT, I CHOSE THE FAMOUS CAESAR AND THE SAN FRANCISCO APE COLONY TO BECOME AN ARMY OF ALLIES FOR THE RESISTANCE SO THEIR SLIGHTLY EVOLVED EXPERTISE AND ANIMAL INSTINCTS CAN BE USEFUL FOR THE RESISTANCE FOR EDUCATIONAL PROTECTION PURPOSES. THE RESISTANCE CAN EVEN HELP THE APES REMEMBER EVERYTHING IN CAESAR'S STORY. THEIR LEADER, LAWGIVER AND LEGENDARY APE KING.

FINALLY, FOR A FINAL LISTING, I CHOSE TRIPP AND CREECH FROM PARAMOUNT AND NICKELODEON'S MONSTER TRUCKS BECAUSE OF THEM BEING ANOTHER BOND SIMILAR TO HICCUP AND TOOTHLESS, BUT MOSTLY BECAUSE OF THE ENTHRALLING STUFF CREECH AND HIS PARENTS DID INSIDE THICK WHEELED PICK-UP TRUCKS, BEING STRIPPED OF THEIR ENGINES AND THEN CREECH AND HIS PARENTS WERE LIKE ENGINES FOR THE PICK-UP TRUCKS. ALSO, AFTER WHAT A COMPANY CALLED TERRAVEX WERE TRYING TO DO TO CREECH'S KIND AND I WHEN SAW THESE AMAZING TENTACLE CREATURES, I SAW THAT THEY WERE CERTAINLY WORTH PROTECTING AND PRESERVING FROM OTHER PEOPLE LIKE TENNESON OF TERRAVEX. ALSO, A MINOR CHOICE IN MARVEL COMICS I GREW A SLIGHT INTEREST IN FOR THE RESISTANCE TO JOIN AN ALLIANCE WITH ARE THE MASTERS OF THE MYSTIC ARTS BECAUSE OF THEM BEING SORCERERS WHO PROTECT EARTH FROM MYSTICAL THREATS WHILE THE AVENGERS PROTECT THE PLANET FROM PHYSICAL THREATS. ANOTHER MINOR CHOICE FROM DC COMICS I CHOSE IS THE SCARAB SUIT TECH FROM BLUE BETTLE FOR TECHNOLOGICAL ADVANCEMENT REASONS, LIKE IN THE RIGHT HANDS, THIS SUIT TECH CAN BE PERFECT FOR SAVING BILLIONS OF LIVES ON EARTH AND MY CROSSOVER EMPIRE. ALSO, ASIDE FROM BALTO AND JENNA, ANOTHER DEVOTED COUPLE THAT I SAW CAN BE WORTHY SUPPORTING AND PROTECTING ARE LOUIS AND SERENA FROM The Trumpet of the Swan BECAUSE, AS I SAID, SWANS REPRESENT DEVOTION AND BEAUTY. FINALLY, ONE MORE PAIR WORTH JOINING AN ENDORSING ALLIANCE WITH IS WALL-E AND EVE, WHICH I CHOSE IS MY FAVOURITE PIXAR PAIR BECAUSE OF THE ACCLAIMED CRITICAL SUCCESS THEIR CREATOR COMPANY PIXAR ANIMATION HAD RECEIVED FOR THEIR SOUND DESIGN, WHICH I LEARNED FROM THEM IN MY 2024-25 COLLEGE YEAR.

CHAPTER 5: DARKEST ENEMY AND REASONS

OUT OF ALL ENEMIES THE BIODIVERSITY RESISTANCE WILL AND HAS EVER FACED TOGETHER AS AN ARMY FAMILY, THE STRONGEST, MOST POWERFUL, BUT WORSE, MURDEROUS IS THE SON OF THE CREATURE THAT STARTED THE WAR BETWEEN HUMANS AND DRAGONS. The DRAGON MONSTER HICCUP AND TOOTHLESS HAD DESTROYED: The RED DEATH. I CREATED AN OFFSPRING MONSTER OF THE RED DEATH TO AVENGE HER AND BRING BACK THE WAR TO MAKE IT, THE TIME OF FEAR, ANGER AND DEATH, LAST FOREVER. HIS NAME IS BLACKORAH THE BLACK DEATH. NOW, ASIDE FROM HICCUP AND TOOTHLESS, AFTER SEEING THE SIMILARITIES OF THEIR DEVOTION, TRUST, KINDNESS, RESPECT, COURAGE AND UNDERSTANDING, BLACKORAH SEEKS TO KILL ALL LIFE IN THE BIODIVERSE EMPIRE AND THE REAL WORLD. TO ENSURE HUMANITY FOREVER LIVES WITH ANGER, FEAR AND THERE'S NOTHING IN THE WORLD BOTH DEAD BODIES. DEATH! BUT HE'S ONE OF THE MANY REASONS I FORMED THE BIODIVERSITY RESISTANCE. TO SHOW THE DISTRIBUTION FILM COMPANIES THAT MADE THE CHARACTER MEMBERS THAT I WASN'T WANTED TO COPY THEM BUT JOIN THEM TOGETHER AS A CROSSOVER LIKE WHAT DC AND MARVEL COMICS, OR EVEN WARNER BROTHERS, DID WITH THEIR HEROES, VILLAINS AND 2D AND 3D ANIMATED CHARACTERS. That I STRONGLY SEEK TO FORM A UNITY OF MANY DIFFERENT MOVIE CHARACTERS FROM MANY WORLDS I ENDORSE TO FIGHT BLACKORAH'S FORCES OF MURDEROUS AND VENGEFUL EVIL. TO ALWAYS REPLACE HIS POISONS WITH THE FORCES THAT ARE STRONGER THAN ANGER AND FEAR; DEVOTION AND TRUST FOR FAMILY AND FRIENDS. THE TWO MOST POWERFUL FORCES OF ALL TIME. SO, THE RESISTANCE WILL ALWAYS BE THERE TO FIGHT ANGER AND FEAR FOR HUMANITY AND ALL CREATURE LIFE TO ENSURE THE BALANCE OF EARTH'S NATURE ON IS ALWAYS PRESERVED.

SO, IN THE END, THIS AMAZING CROSSOVER UNITY OF MANY DIFFERENT CHARACTERS ALL OVER FROM THE WALT DISNEY COMPANY, DREAMWORKS ANIMATION, LEGENDARY ENTERTAINMENT PICTURES, 20TH CENTURY STUDIOS AND UNIVERSAL STUDIOS WAS THE BEST COMBINATION CREATION I COULD EVER HAVE WANTED TO JOIN TOGETHER FOR MY SUPPORT TO FILM INDUSTRIES. ESPECIALLY FOR DREAMWORKS; MY #1 CHOICE IN LIFE. ALSO, THE UNION GIFTS OF THE BIODIVERSITY RESISTANCE CAN EVEN BE A BRIDGE BETWEEN FANTASY AND REALITY, BRINGING BOTH HUMANITY AND CREATURES TOGETHER TO REVERSE THE DAMAGE HUMANITY HAS CAUSED. TOGETHER, WE CAN CONTINUE TO WRITE EVEN MORE CHAPTERS IN EARTH'S STORY INSTEAD OF GIVING IT AN ENDING. AND IT NEVER SHOULD HAVE AN ENDING. NEITHER SHOULD WE. SO, WHENEVER YOU FEEL DISCORD OR FEAR, THE POISONS TO OUR LIVES, WHENEVER A THREAT OR STRUGGLE COMES YOUR WAY, EVEN IF A THREAT TO THE BALANCE OF NATURE AND TO ALL OUR LIVES SAY THAT THERE WILL ALWAYS BE FEAR AND ANGER, AS LONG AS PEOPLE AND CREATURES ALWAYS LEARN AND REMEMBER THAT FORGIVENESS IS THE STRONGEST THING A PERSON AND CREATURE CAN FEEL INSTEAD OF GRIEF AND THAT LOVE AND TRUST ARE THE TWO MOST POWERFUL FORCES IN ALL THE UNIVERSE, THE BIODIVERSITY RESISTANCE WILL FOREVER BE THERE IN ALL OUR HEARTS TO GUARD US WITH THEIR LIVES. AND I, JAMES ROBERT OLDHAM, SELF-PROCLAIMED AS DREAMWORKS MASTER OF CORK CITY IN IRELAND, WILL ALWAYS BE THERE TO REMIND HUMANITY, EVEN MY OWN FRIENDS AND FAMILY, OF THE MANY LIFE LESSONS THE RESISTANCE HAVE SHOWN ME ASIDE FROM PEOPLE I KNOW AND TO EVEN KEEP THE BIODIVERSITY RESISTANCE SUPPORTED AND LOVED BY MANY GRATEFUL PEOPLE ON EARTH ASIDE FROM MYSELF FOR MANY GENERATIONS TO COME IN THE FUTURE.

**8TH ANNIVERSARY GROUP PHOTO
OF THE BIODIVERSITY RESISTANCE**

ALLIES TO THE BIODIVERSITY RESISTANCE

JAMIES R. OLDHAM

AKA DREAMWORKS MASTER

THIS IS A STORY THAT HAS AFFECTED A LOT OF MY LIFE WITH KNOWLEDGE IN MOVIE WORLDS I LOVE WITH COUNTLESS LOTS OF DEVOTED ENDORSEMENT. WHEN MORE DIFFERENT CREATURE MEMBERS CAME TO JOIN, I DECIDED TO EXPAND MY CHILDHOOD COMIC SERIES COMBINATION INTO A LARGE PEACEFUL PROTECTION ARMY FAMILY. A COLOSSAL CROSSOVER UNIFIED ARMY OF DIFFERENT CREATURES FROM DIFFERENT WORLDS TO PROTECT MANY LIVES AND ALL NATURISTIC HABITATS, ESPECIALLY PREVENT ANY MORE DEATH AND THOSE FEELING THE TWO CONSTANTLY DARK POISONS; ANGER AND FEAR. THIS IS THE STORY OF WHO MY CROSSOVER ARMY FAMILY IS, WHO THEY ARE IN THEIR WORLDS AND WHY I CHOSE THEM FOR MY AMAZING CROSSOVER.
